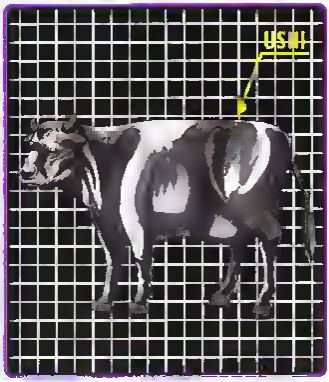
IROIRO NA WILD LIFE　VOL.3



その3　ウシ

ウシにビタミンAを与えすぎると、(本文中にもあったように)肉にサシが入りにくくなってしまいます。そのため、高級牛は常にビタミンAが不足した状態で、育てられます。

ビタミンAが不足すると、本文中にあったような症状の他に、視力の低下を引き起こします。出荷直前のウシの中には、目が見えなくなってしまうものもいます。

私たちは無駄に食べ物を残したりしますが、生産に関わる人々の苦労を知れば、そんなことはできないはずです。農家のみなさんと、動物たちの命に感謝しつつ、食事をしてください。

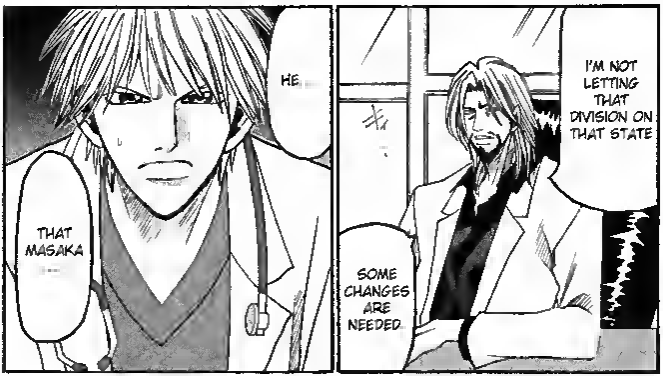
Director!!
I object!!
CHAPTER 16:
IT'S NOT EVEN
FIVE THOUSAND...

Do you hear me?
Tessho is needed by the 2nd Division!
He cannot be transferred to another division!
.....
NOT SO MUCH TRANSFERRING

2

I'M LENDING HIM OUT FOR A WHILE
MAYBE FOR ONLY COUPLE OF WEEKS, AND THEN HE WILL BE BACK.

BU... BUT... THAT 6TH DIVISION...
THAT IS MASAKA'S
HE'S DESTROYED THE CAREERS OF SOME VETS!
RYOTO!

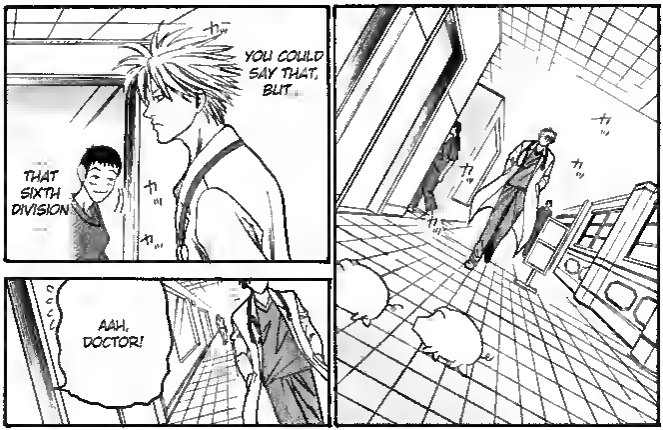


I'M NOT LETTING THAT DIVISION ON THAT STATE
HE...
THAT MASAKA...
SOME CHANGES ARE NEEDED.

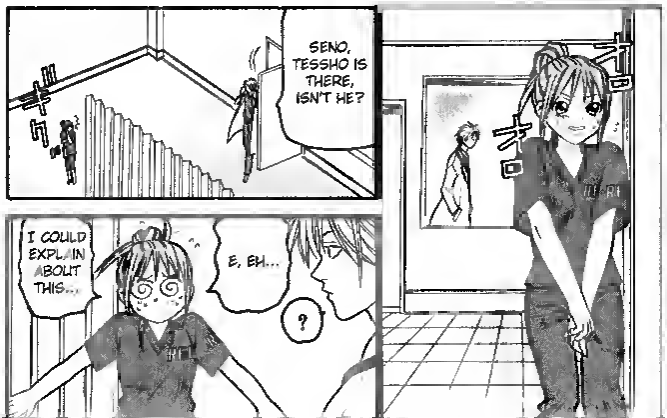
I KNOW...
BUT THE 2ND DIVISION LACKS STAFF. ALL OF US ARE WORKING OVERTIME.
THIS IS TESSHO'S FIRST YEAR! NO MATTER HOW GOOD HE IS, HE'S STILL NOT A DEPENDABLE DOCTOR IN THE 2ND DIVISION!

T... THAT...
THIS MATTER'S ALREADY BEEN DISCUSSED WITH THE OWNER. PERIOD.
AND...

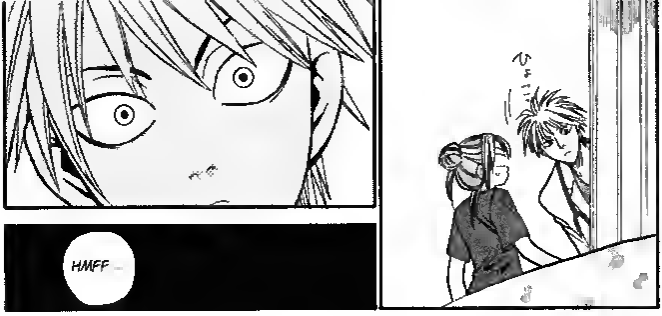
TESSHO IS THE ONLY ONE WHO CAN CHANGE THE 6TH DIVISION
DIDN'T YOU FEEL THE SAME, RYOTO?
4
.....



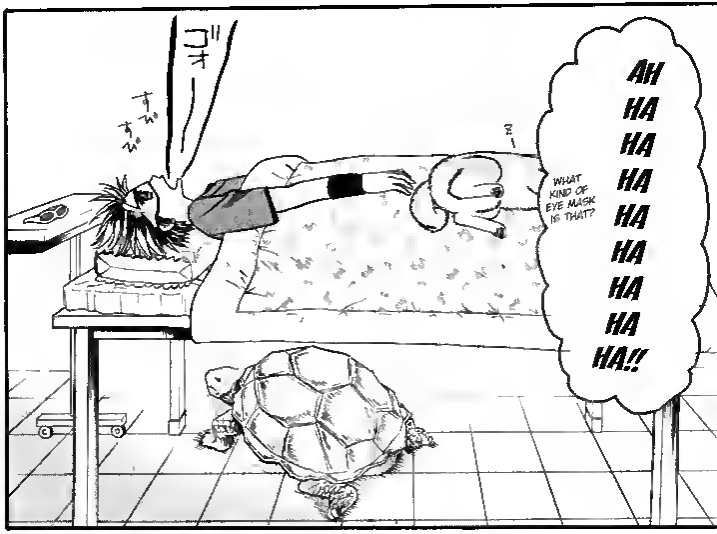
YOU COULD SAY THAT, BUT...
THAT SIXTH DIVISION...
AAH, DOCTOR!



SENO, TESSHO IS THERE, ISN'T HE?
I COULD EXPLAIN ABOUT THIS...
E, EH...
?



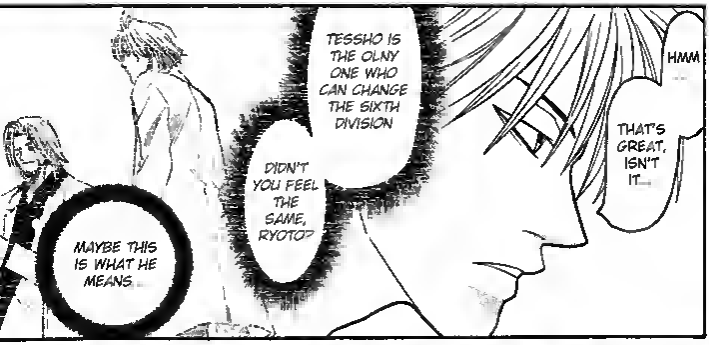
ひょこ
HMFF...



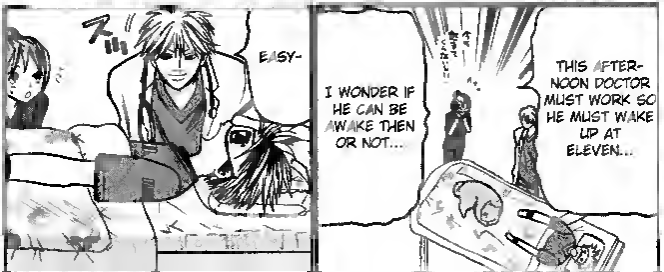
ゴォー
すぅすぅ
ZZ
WHAT KIND OF EYE MASK IS THAT?
AH HA HA HA HA HA HA HA HA!!

DOCTOR RYOTO! THIS IS NOT FUNNY!
AH SORRY, BUT I DIDN'T KNOW THERE'S A DOCTOR THAT SET THE FUTON ON THE EXAMINATION TABLE...
SO, WHY IS HE LIKE THIS?
THAT...

LAST NIGHT, WHEN THE DOCTOR WENT TO GO HOME...
HE SAW A HOME-SICK DOG IN THE 1ST DIVISION. IT WAS BEING TREATED OVERNIGHT AND WAS BARKING MOST OF THE NIGHT
HE ENDED UP PLAYING WITH THAT DOG UNTIL MORNING
...!

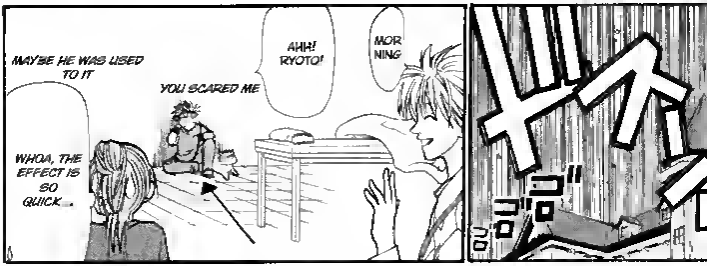


HMM...
THAT'S GREAT, ISN'T IT...
TESSHO IS THE ONLY ONE WHO CAN CHANGE THE SIXTH DIVISION
DIDN'T YOU FEEL THE SAME, RYOTO?
MAYBE THIS IS WHAT HE MEANS...

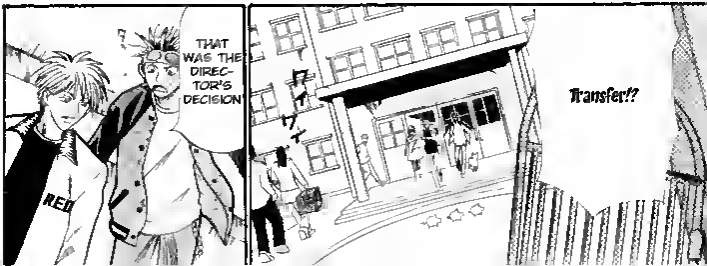


THIS AFTER-NOON DOCTOR MUST WORK SO HE MUST WAKE UP AT ELEVEN...
I WONDER IF HE CAN BE AWAKE THEN OR NOT...
EASY-

TESSHO-
WAKE UP
HONEY

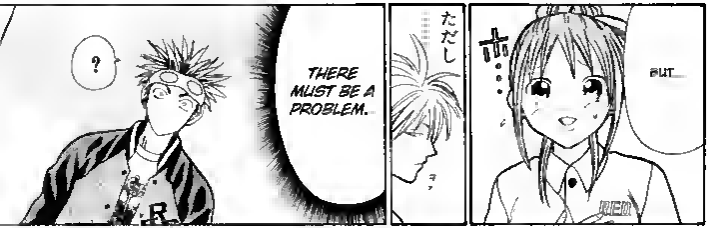


MAYBE HE WAS USED TO IT
WHOA, THE EFFECT IS SO QUICK...
YOU SCARED ME
AHH! RYOTO!
MOR NING
ドスン
ドドドドド



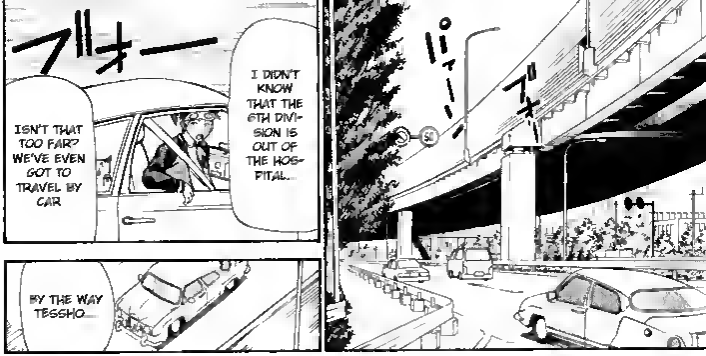
THAT WAS THE DIREC-TOR'S DECISION
Transfer!?

I'VE BEEN CALLED DUMB
EVEN SO, HE'S BEEN WORKING HARD!
YOU KNOW THAT RIGHT?
ISN'T THAT TOO QUICK?
MA MAYBE THIS IS BECAUSE DOCTOR TEGGHO IS DUMB?
HE IS ONLY BEING 'LENT OUT FOR A WHILE AFTER THAT HE WILL BE RETURNED TO THE SECOND DIVISION
IT'S NOT LIKE THAT

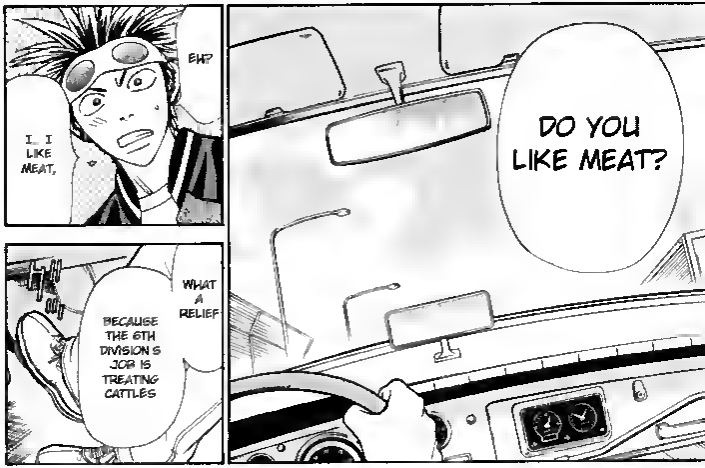


?
THERE MUST BE A PROBLEM.
ただし
？？
BUT

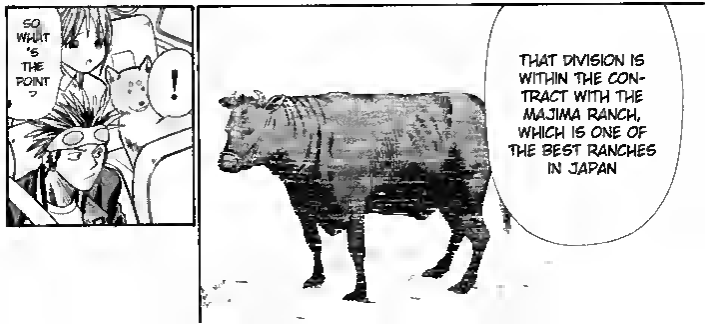
WOW, THE CAR IS SO COOL
WHY IT'S SO SMALL IN HERE?
I could sit here all day in comfy seats
OH, SHUT UP
.....
I'LL DRIVE YOU OUT TO THE 6TH DIVISION
COME ON, LET'S GO



ブォー
I DIDN'T KNOW THAT THE 6TH DIVISION IS OUT OF THE HOSPITAL...
ISN'T THAT TOO FAR? WE'VE EVEN GOT TO TRAVEL BY CAR
パァーン
ブォ
BY THE WAY TESSHO...



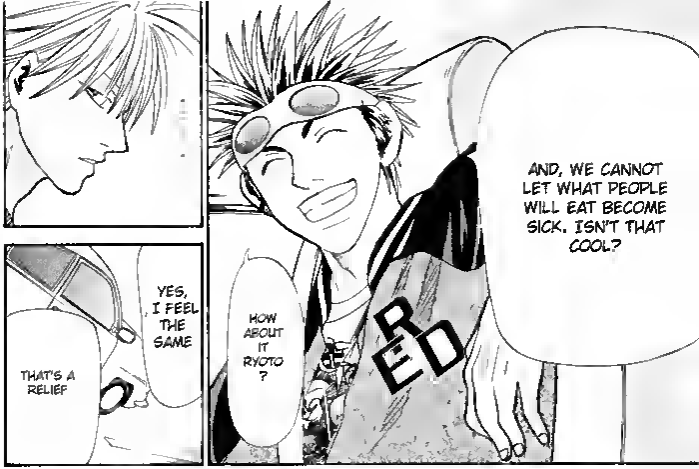
EH?
I... I LIKE MEAT,
DO YOU LIKE MEAT?
WHAT A RELIEF
BECAUSE THE 6TH DIVISION'S JOB IS TREATING CATTLES



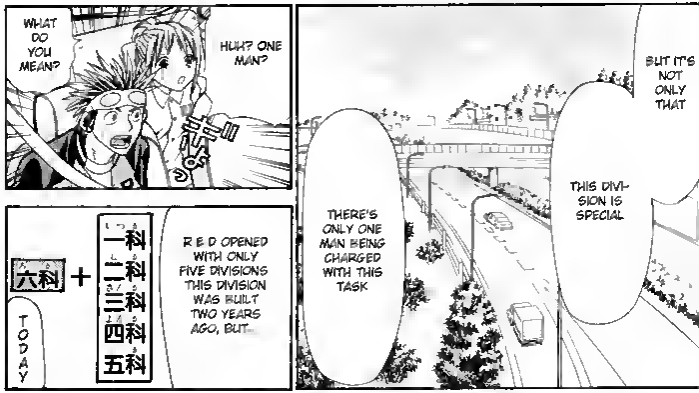
SO WHAT'S THE POINT ?
!
THAT DIVISION IS WITHIN THE CONTRACT WITH THE MAJIMA RANCH, WHICH IS ONE OF THE BEST RANCHES IN JAPAN

!!
BASI-
CALLY,
THIS IS
YOUR
FIRST
EXPERI-
ENCE
TO TREAT
PATIENTS
THAT WILL
BE CON-
SUMED
CAN
YOU?
YEAH
!!!

THAT'S
OBVIOUS!
BECAUSE
I'M A
PROFES-
SIONAL
WHILE THEY
ARE ALIVE,
THEY ARE
STILL MY
PATIENTS!



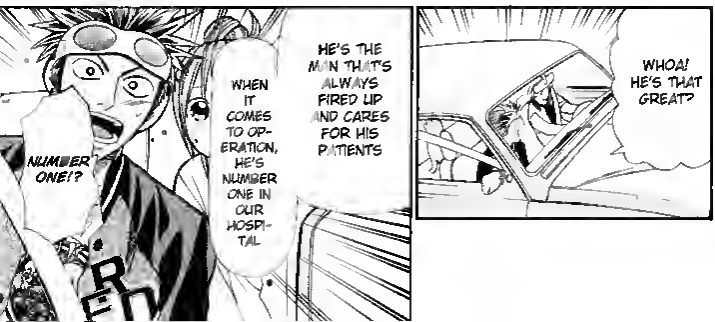
AND, WE CANNOT LET WHAT PEOPLE WILL EAT BECOME SICK. ISN'T THAT COOL?
R
E
D
HOW ABOUT IT RYOTO ?
YES, I FEEL THE SAME
THAT'S A RELIEF



WHAT DO YOU MEAN?
HUH? ONE MAN?
BUT IT'S NOT ONLY THAT
THIS DIVISION IS SPECIAL
THERE'S ONLY ONE MAN BEING CHARGED WITH THIS TASK
R E D OPENED WITH ONLY FIVE DIVISIONS THIS DIVISION WAS BUILT TWO YEARS AGO, BUT...
TODAY
六科
+
一科
二科
三科
四科
五科

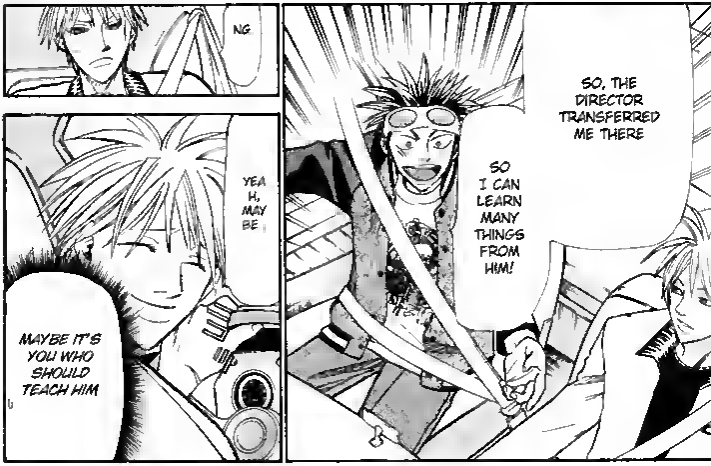
.....
WHY IT WASN'T DISMISSED?
HUH ?
BASI-CALLY THAT DIVISION IS NOT NEEDED ANY-MORE
THE TREATMENT OF COWS OR PIGS IS THE 1ST DIVISION

THE SIXTH DIVISION IS STILL AROUND
BECAUSE R.E.D DON'T WANT TO FIRE THE ONLY DOCTOR THERE
EVEN HE MUST BE INTRODUCED TO THE MAJIMA'S OWNER BY THE DIRECTOR
HIS NAME IS YOHEI MISAKA, THE FORMER ACE OF 2ND DIVISION



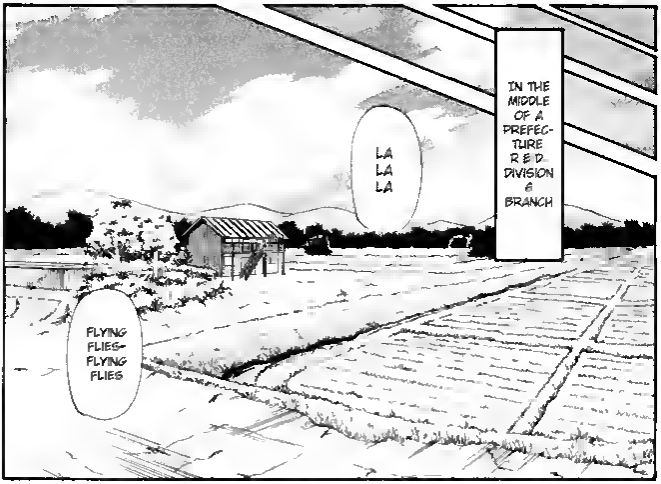
WHOA! HE'S THAT GREAT?
HE'S THE MAN THAT'S ALWAYS FIRED UP AND CARES FOR HIS PATIENTS
WHEN IT COMES TO OPERATION, HE'S NUMBER ONE IN OUR HOSPITAL
NUMBER ONE!?

THAT MEANS HE'S BETTER THAN YOU AND THE DIRECTOR WHEN IT COMES TO SURGERY RIGHT?
BUT, THAT WAS IN THE PAST NOW HE'S...
COOOOL!
HEY, HEY
Y-YES
REALLY? SO THAT'S IT!
EH?



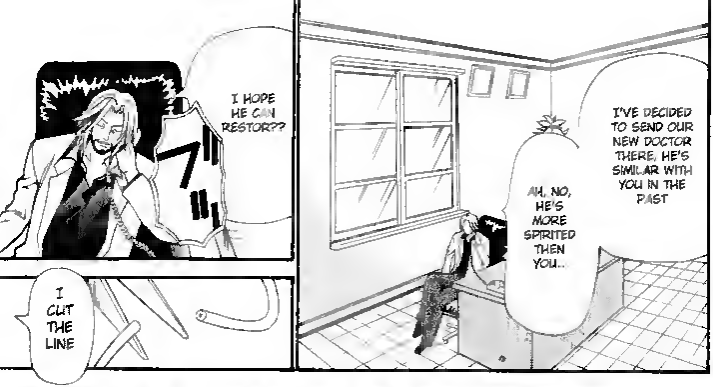
NG
SO, THE DIRECTOR TRANSFERRED ME THERE
SO I CAN LEARN MANY THINGS FROM HIM!
YEAH, MAYBE
MAYBE IT'S YOU WHO SHOULD TEACH HIM

GUESS I'LL LET HIM LIKE THIS
WOW! NOW I'M FIRED UP!



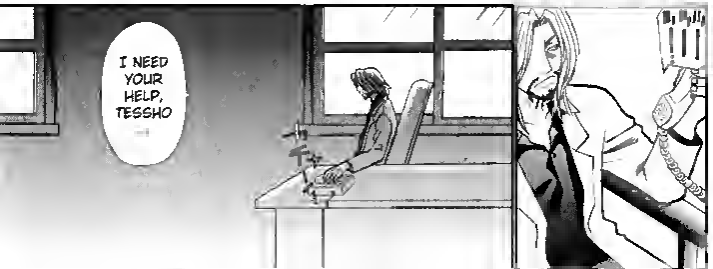
JASRAC 出0108778-301

AH, NO, NOT THAT MUCH
ノシャ
RING RING RING THE PHONE IS RINGING
I'M NOT PRESENT AT THE MOMENT PLEASE LEAVE A MESSAGE
THE DIRECTOR
NOT ANSWERING ME, EH? WELL, THAN JUST SIT QUIETLY THERE AND HEAR ME
LONG TIME NO SEE MISAKA
YOU'RE THERE RIGHT?
……



I HOPE HE CAN RESTOR??
I'VE DECIDED TO SEND OUR NEW DOCTOR THERE, HE'S SIMILAR WITH YOU IN THE PAST
AH, NO, HE'S MORE SPIRITED THEN YOU...
I CUT THE LINE

I CUT THE LINE



I NEED YOUR HELP, TESSHO

HEY, WHAT'S WRONG WITH YOU!!
DRINKING SAKE AND THIS MESSY ROOM!
PATIENTS ARE GOING TO DIE INSTANTLY IF THEY COME HERE!

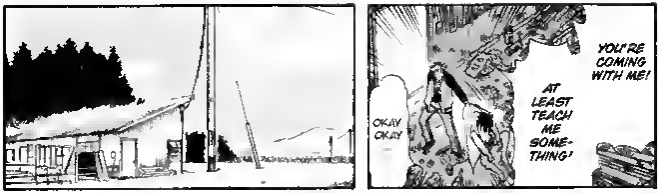
IDIOT.
ITS TRUE THIS IS THE 6TH DIVISION
BUT WE'RE THE ONLY ONES THAT WOULD COME HERE
NO ONE WOULD WANT TO BRING THEIR SICK LIVESTOCK HERE
!!

OH, SORRY.
KYOTO TRICKED ME AGAIN!
WH-WHAT THE HELL WHICH PART OF HIM IS THE NURSE ONE IN RED?

HEY, GUEST
I'M KIMURA FROM ACROSS THE ROAD
I'M SORRY BUT I'D CALLED YOU BEFORE AND THERE WAS NO ANSWER
SORRY, MY PHONE IS IN MAINTENANCE
LATER
IT NEEDS A SCOLD
ONE OF THE LIVESTOCK IS SICK, COULD YOU GO AND EXAMINE IT?
OKAY
PLEASE HURRY OK?

HEY!!
THE PATIENT IS WAITING RIGHT? HURRY AND GO!!
WHA- HEY OLD MAN!
EH?

.....!
THAT'S NOT A BIG PROBLEM KID
HEY!! KIMURA-SAN! WAIT FOR ME!
I'M ALSO A VET, I'LL BE THERE!
O OKAY



YOU'RE COMING WITH ME!
AT LEAST TEACH ME SOME-THING!
OKAY OKAY

!!
IT'S HERE.

ブルル
ブルル
ブルル
ガガガ
!?
DO-
DOCTOR
THIS

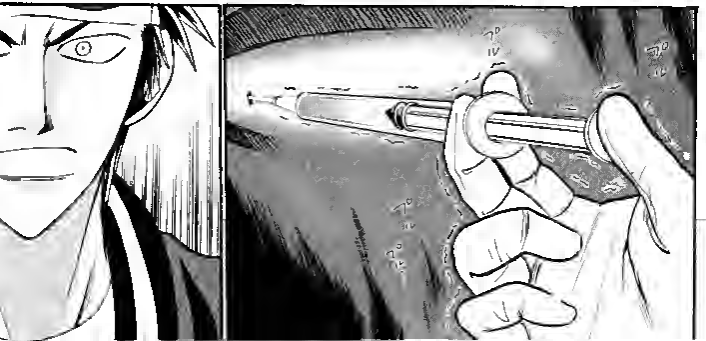
IT'S ONLY VITAMIN DEFICIENY. HE'LL BE ALRIGHT SOON.
OH?
VITAMIN DEFI-CIENCY?
YES, THIS IS THE ANIMAL OF MAJIMA RANCH, THE BEST RANCH OF JAPAN
SO THINGS LIKE THIS HAPPEN SOME-TIMES

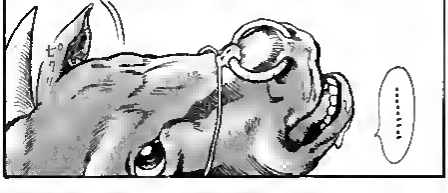
THE WAY TO RAISE THE HIGH-QUALITY CATTLE LIKE THIS IS ONLY BY FATTEN-ING
FATTEN-ING?
RIGHT, SIMPLY, TO MAKE THE MEAT MORE THICK
CATTLES ARE GIVEN CON-CENTRATED FOODS IN LARGE QUAN-TITIES AND THEIR MOVE-MENT ARE LIMITED

NOT ONLY THAT,
WE MUSN'T GIVE THEM TOO MANY VITAMINS.
WHY?

IF YOU GIVE TOO MUCH VITAMIN A, THE FATTENING WILL OBSTRUCTED
AND THE CATTLE WON'T BE APPETIZING ANYMORE FOR HUMANS

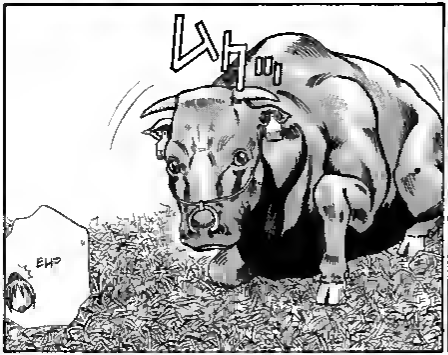
BUT, IF WE INJECT THIS VITAMIN
THE SYMP-TOMS WILL CALM FOR A WHILE
!
.....!



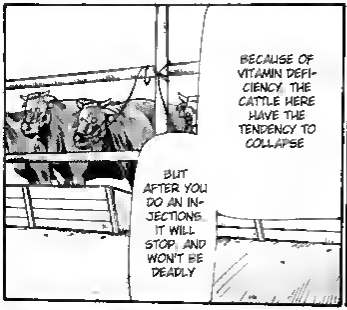


.....

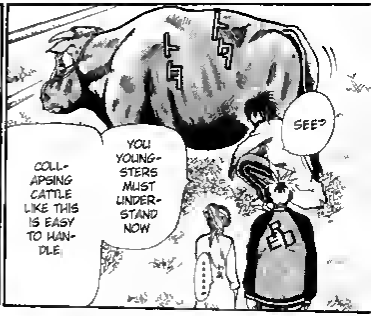
WE'RE DONE



EH?

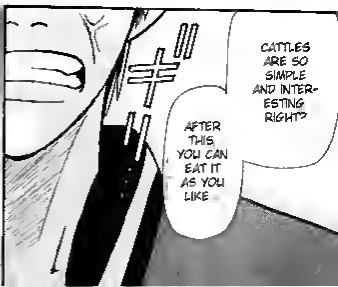


BECAUSE OF VITAMIN DEFICIENCY, THE CATTLE HERE HAVE THE TENDENCY TO COLLAPSE
BUT AFTER YOU DO AN INJECTIONS, IT WILL STOP, AND WON'T BE DEADLY



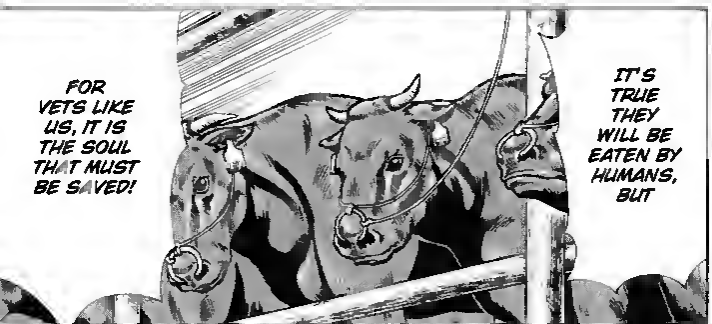
SEE?
YOU YOUNGSTERS MUST UNDERSTAND NOW
COLLAPSING CATTLE LIKE THIS IS EASY TO HANDLE

BUT...
THEY ARE SICK...



CATTLES ARE SO SIMPLE AND INTERESTING RIGHT?
AFTER THIS, YOU CAN EAT IT AS YOU LIKE

THAT'S WHY HE CALLED YOU!!
HE'S BEEN YELLING FOR YOU!!
CAN'T YOU HEAR HIS VOICE HUH!?



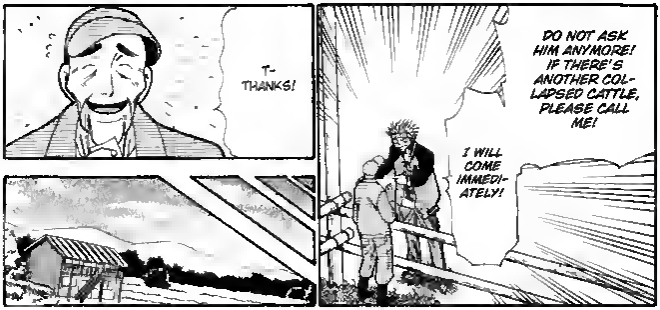
IT'S TRUE THEY WILL BE EATEN BY HUMANS, BUT
FOR VETS LIKE US, IT IS THE SOUL THAT MUST BE SAVED!

HE'S MORE SPIRITED THAN YOUR OLD SELF
DID YOU HEAR ME?

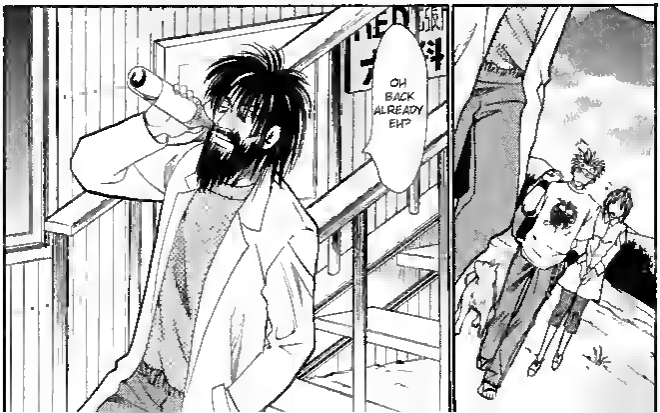
BECAUSE EVEN WHEN I DO THAT
I WON'T DO IT!
IF YOU CAN, WHY DON'T YOU DO IT YOURSELF?
OKAY OKAY!
THANKS FOR YOUR ARGUMENT THERE YOUNG MAN

GOD STILL WON'T GIVE A DAMN ABOUT ME.

KI-MURA -SAN!
DO-DOCT-OR...
Y-YES!

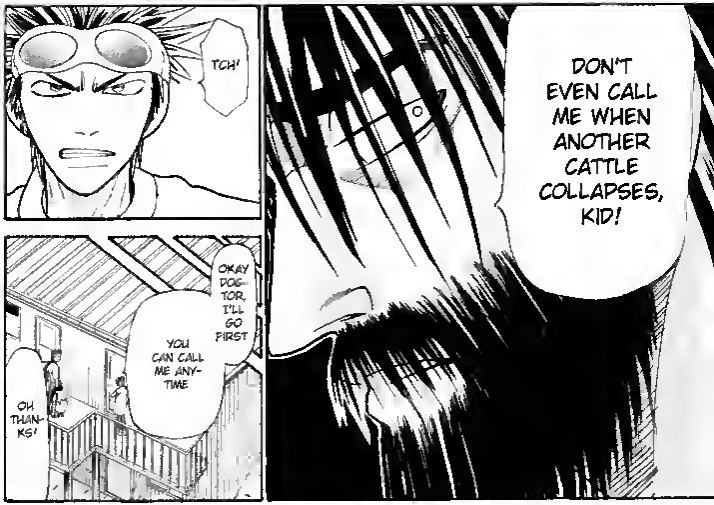


T-THANKS!
DO NOT ASK HIM ANYMORE! IF THERE'S ANOTHER COL-LAPSED CATTLE, PLEASE CALL ME!
I WILL COME IMMEDI-ATELY!



OH BACK ALREADY EH?

IF YOU WANNA SLEEP, THERE ARE ROOMS IN THE FIRST FLOOR.
I'M GONNA SLEEP
DO WHAT YOU WANT
WHO... I'M IGNORED, HEHE
OH, AND ANOTHER THING..
Y-YE...

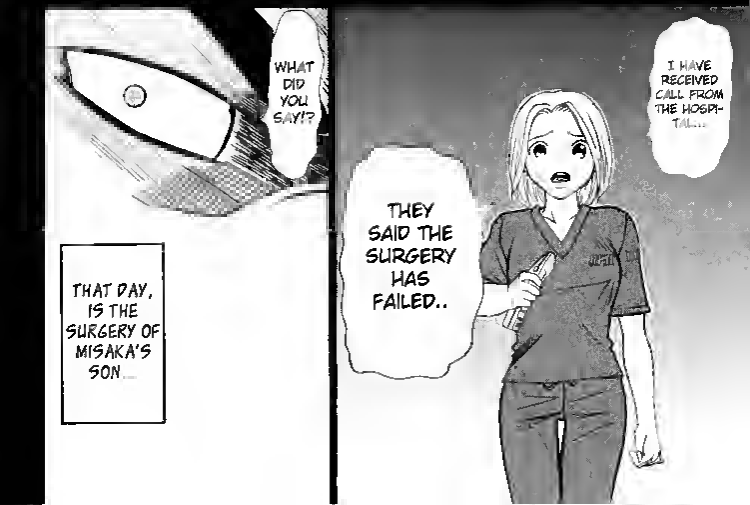


TCH!
DON'T EVEN CALL ME WHEN ANOTHER CATTLE COLLAPSES, KID!
OKAY DOCTOR, I'LL GO FIRST
YOU CAN CALL ME ANYTIME
OH, THANKS!

DAMN THAT RYOTO..
SIGH
Y-YES
BUT DON'T JUST OPEN THE DOOR WITHOUT TELLING ME LIKE LAST TIME, OKAY?

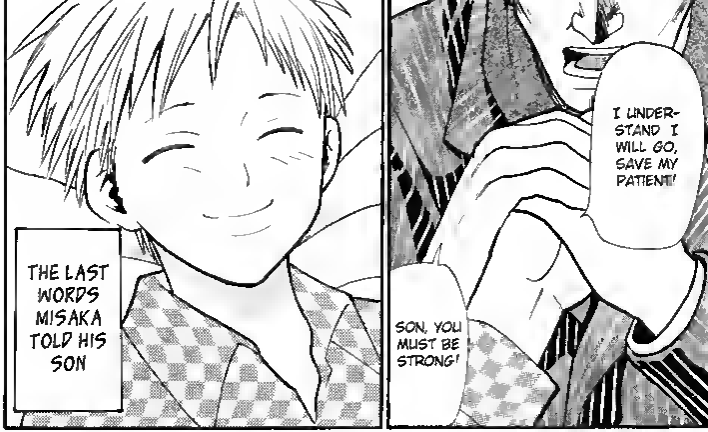
YES. THIS IS 2ND DIVISION R.E.D
RYOTO!!
I'M JOKING, SO HOW IS IT OVER THERE?
DAMN YOU!
WHOA MY HEART IS POUNDING WHEN YOU CALL ME!
LIAR!
HOW CAN A PERSON LIKE THAT IS A NUMBER ONE IN R.E.D.!?
DON'T YOU DARE!!
LISTEN! I DON'T CARE IF IT'S NOW OR FORMER ACE OR WHATEVER! SEEING HIS HAND SHAKE WHEN DOING INJECTION, HE'S DEFINITELY AN AMATEUR SINCE OLD TIMES!
I DIDN'T SAY HE'S NUMBER ONE, I SAID HE'S "FORMER" NUMBER ONE IN R.E.D
IT'S TRUE ...
WHAT?
THAT'S YOUR MISTAKE RIGHT?

BUT ....
HE ALWAYS FLEW WORLDWIDE AND FREQUENTLY WORK OVERTIME TO TREAT PATIENTS...
THAT MISAKA... HE WAS AN ENTHUSIASTIC SURGEON
Doctor Misaka!
NAH, NOTHING
WHAT'S WRONG?
.....
TIK TAK
IT'S TIME...
WE'VE SAVED ANOTHER SOUL OF RARE ANIMAL
DOCTOR MISAKA, YOU DID WELL TODAY!
ONE DAY, 4 YEARS BEFORE
WHAT A PERFECT SURGERY
YES, THANKS.



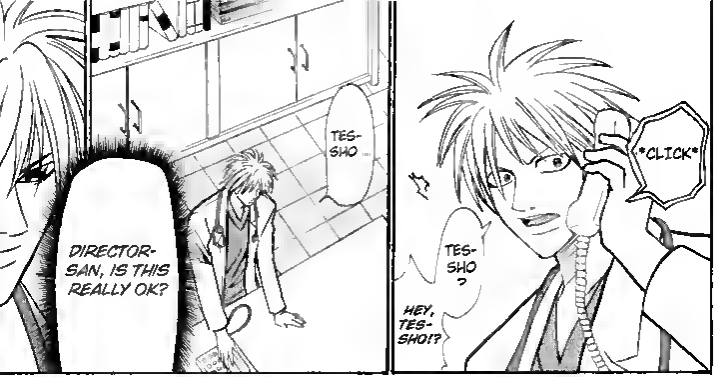
WHAT DID YOU SAY!?
I HAVE RECEIVED CALL FROM THE HOSPITAL...
THEY SAID THE SURGERY HAS FAILED..
THAT DAY, IS THE SURGERY OF MISAKA'S SON...

MISAKA WANTED TO STAY AT THE HOSPITAL
BUT HIS SON WAS
DAD, TODAY'S SPECIAL SURGERY WILL BE HELD RIGHT?
JUST GO, I WILL BE FINE BY MYSELF
BU-BUT
ONLY DAD CAN DO THAT SURGERY RIGHT?
DAD KNOWS THAT PATIENT CRIES FOR HELP TO YOU RIGHT?
IF YOU SAVE THAT PATIENT, I'M SURE THAT GOD WILL ALSO SAVE ME..
.....

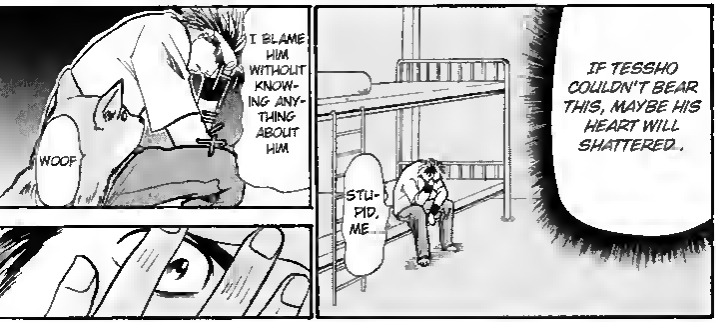


THE LAST WORDS MISAKA TOLD HIS SON
SON, YOU MUST BE STRONG!
I UNDERSTAND I WILL GO, SAVE MY PATIENT!

I THINK HE WAS PROUD OF HIS FATHER'S JOB.
MAYBE HE LET HIS FATHER GO, BECAUSE HE KNEW THAT HIS LIFE COULDN'T BE SAVED ANYMORE.
SINCE HE WAS 8 YEARS OLD, THAT KID MUST ALWAYS UNDERGO SEVERAL SURGERIES



DIRECTOR-SAN, IS THIS REALLY OK?
TES-SHO
HEY, TES-SHO!?
TES-SHO ?
CLICK



I BLAME HIM WITHOUT KNOW-ING ANY-THING ABOUT HIM
WOOF
STU-PID, ME
IF TESSHO COULDN'T BEAR THIS, MAYBE HIS HEART WILL SHATTERED.

ドガーン

DAD KNOWS THAT PATIENT CRIES FOR HELP TO YOU, RIGHT?

DARE TO SAY SOMETHING LIKE THAT TO ME
THAT BAS-TARD
THAT PATIENT CRIES FOR HELP TO YOU!

I HEARD ABOUT
YOUR SON
WHAT IS IT?
IT'S DAWN YOU KNOW

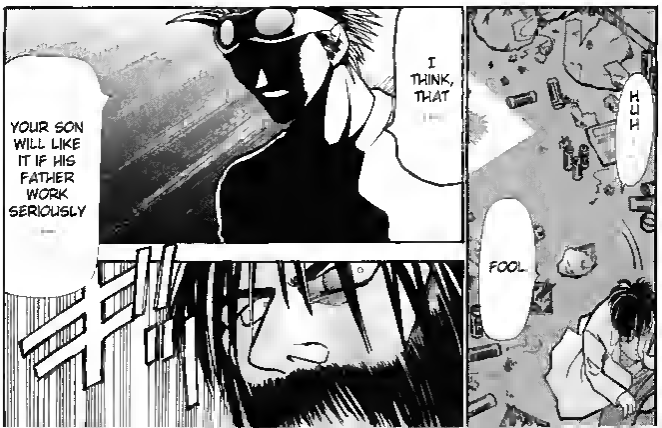
I'M SORRY.., FOR SAYING THINGS SO EASILY
EVEN I DON'T KNOW ANYTHING

I DON'T CARE YOU HEARD THOSE TALKS FROM WHO, LET ME BE ALONE!
DIDN'T I SAY TO YOU
THERE'S NO GOD IN THIS WORLD, DID I?
WORKING HARD HAS NO MEANING
NO MATTER HOW MUCH PATIENTS YOU HELP
THAT GOD DID NOT HELP MY SON!!

YEAH, THAT'S TRUE

Ah!?
BUT, I BELIEVE HARDWORKING HAS ITS MERIT!

NO MATTER WHAT ANIMAL AND WHAT TYPE THE OWNER IS, THEY WILL BE GLAD IF THEIR PET IS HEALED!
THIS IS THE JOB THAT IS WORTH TO BE TAKEN SERIOUSLY!
CRIPENS

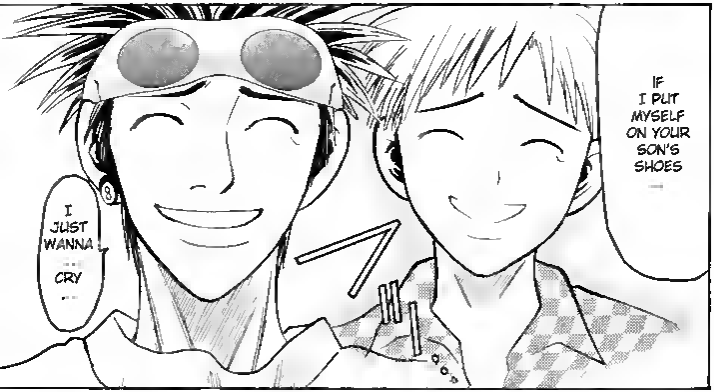


I THINK, THAT
HUH
YOUR SON WILL LIKE IT IF HIS FATHER WORK SERIOUSLY
FOOL

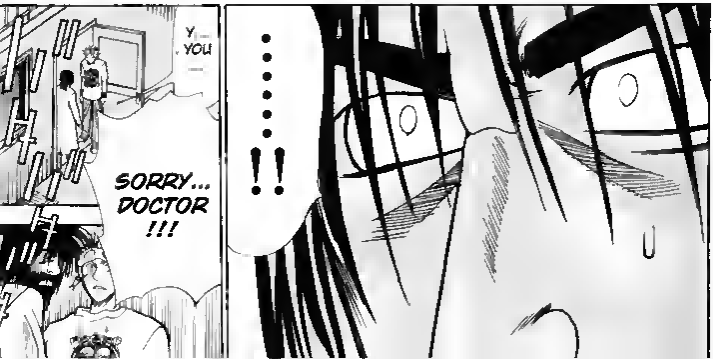
HEY KID!!!
I SAT THERE STILL AND YOU SPOKE AS YOU KNOW EVERY-THING!!
WHAT DO YOU WANT !?

YOU DON'T KNOW HOW I FEEL ABOUT THIS, DON'T YOU!?

I CANNOT IMAGINE NO MATTER HOW HARD I TRY...
IT'S TRUE I DON'T KNOW YOUR FEELING RIGHT NOW AND
BUT...
TEARS? HE'S CRYING?



I JUST WANNA CRY...
IF I PUT MYSELF ON YOUR SON'S SHOES...

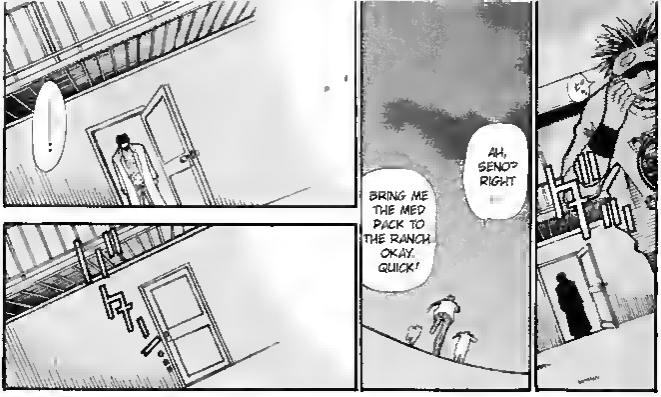


SORRY... DOCTOR !!!
Y... YOU...
.....!!

I CALLED YOU BUT THE PHONE'S ALWAYS BUSY
IF IT CONTINUES LIKE THIS IT WILL DIE!!
THE BODY IS PARALYZED AND IT CANNOT MOVE!
MY COW... TERRIBLE!! AFTER 2AM HIS CONDITION'S WORSENING!

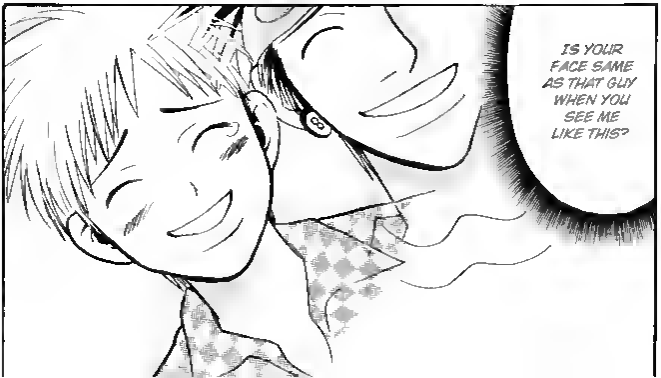
HEY
I WILL GO THERE
UNCLE
AH SORRY I CALLED THE HOSPITAL AT THAT TIME...

BECAUSE I WANT TO SEE ANOTHER HAPPY FACE AGAIN .



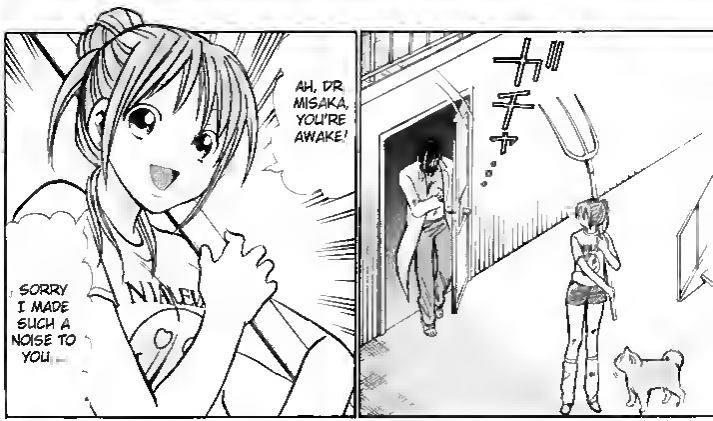
...
BRING ME THE MED PACK TO THE RANCH. OKAY. QUICK!
AH, SENO? RIGHT

YOTA
PEOPLE'S HAPPY FACE



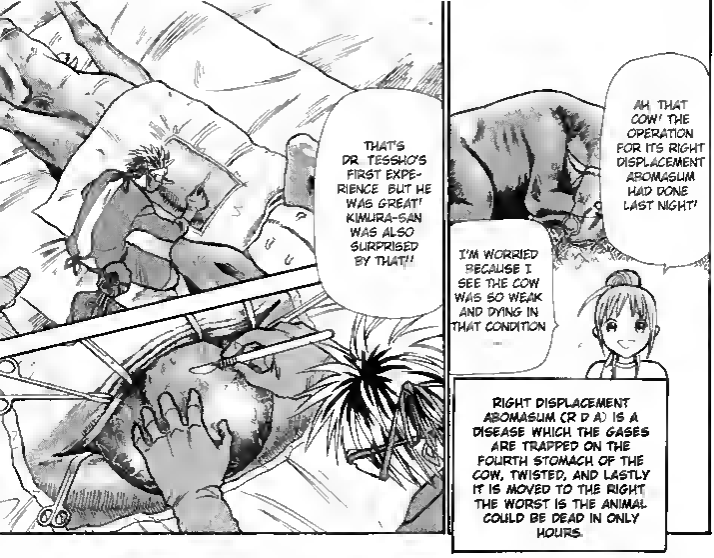
IS YOUR FACE SAME AS THAT GUY WHEN YOU SEE ME LIKE THIS?

.....
HUH..?
I KNOW I KNOW, HE WILL BACK SOON, OKAY
WOOF WOOF

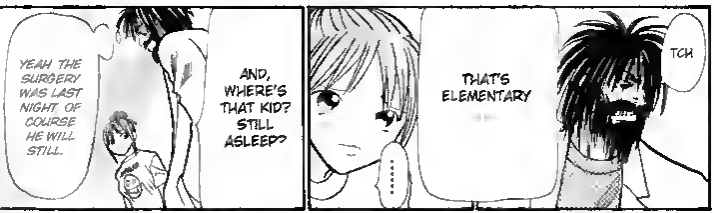


AH, DR MISAKA, YOU'RE AWAKE!
SORRY I MADE SUCH A NOISE TO YOU...

BY THE WAY, HOW'S THE PATIENT LAST NIGHT?
I WILL MAKE SOME-THING LATER
EH, IT'S ALREADY PAST 12
M, YOU'RE HUNGRY
WHAT TIME IS IT NOW?
IT'S OK



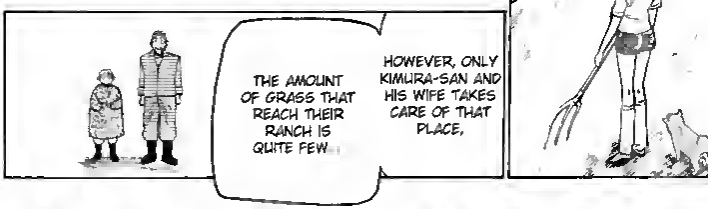
THAT'S DR. TESSHO'S FIRST EXPERIENCE BUT HE WAS GREAT! KIMURA-SAN WAS ALSO SURPRISED BY THAT!!
AH, THAT COW! THE OPERATION FOR ITS RIGHT DISPLACEMENT ABOMASUM HAD DONE LAST NIGHT!
I'M WORRIED BECAUSE I SEE THE COW WAS SO WEAK AND DYING IN THAT CONDITION
RIGHT DISPLACEMENT ABOMASUM (R D A) IS A DISEASE WHICH THE GASES ARE TRAPPED ON THE FOURTH STOMACH OF THE COW, TWISTED, AND LASTLY IT IS MOVED TO THE RIGHT. THE WORST IS THE ANIMAL COULD BE DEAD IN ONLY HOURS.



YEAH THE SURGERY WAS LAST NIGHT. OF COURSE HE WILL STILL
AND, WHERE'S THAT KID? STILL ASLEEP?
THAT'S ELEMENTARY
TCH

AFTER THAT SURGERY, HE WENT TO THE NEAREST FARMER AND GO TO THE PASTURE NEAR THE RANCH TO ASK FOR SOME STRAWS AND GRASSES AND UNTIL NOW HE'S STILL THERE
NO, ACTUALLY

TO FATTEN THE COW THEY ARE GIVEN MOSTLY SOLID FOOD WITH LESS OR NO COARSE FOOD LIKE GRASS OR STRAW. AS A RESULT, THE ANIMALS ARE POSSIBLE TO SHOW THE INSUFFICIATION OF VITAMIN DEFICIENCY THAT COULD CAUSE GAS IN THE ANIMAL'S STOMACH LEADING TO SHOCK AND MAYBE R.D.A.
R.D.A. COULD ALSO BE CURED BY USING COARSE FOOD RIGHT?
IT'S THE SAME WITH THE LAST SHOCKED COW THAT DR. MISAKA HANDLED ....
W-WHAT?



THE AMOUNT OF GRASS THAT REACH THEIR RANCH IS QUITE FEW.
HOWEVER, ONLY KIMURA-SAN AND HIS WIFE TAKES CARE OF THAT PLACE,

THAT'S THE KIND OF PERSON HE IS
EVEN YOU WOULD'NT DO SUCH THING ALL NIGHT....
WE HAVE NOTHING TO DO WITH THE SITUATION OF THE RANCH OWNERS! IT'S THEIR JOB!
IS HE AN IDIOT! PERFORMING THE OPERATION THE WHOLE NIGHT AND NOW COLLECTING SOME GRASS!?

ONCE HE DECIDES, EVEN ALONE, HE'D RUN FOR IT ....
DOING ALL THINGS SERIOUSLY ....
DR TESSHO ALWAYS GIVES HIS BEST.

WHOEVER IT IS, HE'S WILLING TO HELP ANIMAL PATIENTS
EVEN FOR AN INSTANT, MEETING THAT PERSON BRINGS HAPPINESS TO THE ANIMALS
EVEN I CAN SEE HOW GLAD THOSE ANIMALS ARE

STARTING TODAY, HE'LL BE RETURNING TO WILD LIFE TO TEACH AND COACH YOU NEWCOMERS.
.....
FOR SOME REASON, HE WAS ASSIGNED TO THE 6TH DIVISION FOR A WHILE.
OH, KURACHI DID YOU KNOW?
HEY IWASHIKO IS HE THE RUMOURED MISAKA FROM THE 6TH DIVISION?
I'LL TELL THAT

LISTEN YOU TWO! I'M STRICK WITH MY TEACHING.

YOU TWO SHOULD LEARN IT BY HEART!
YES!

HEY IWA-SHIRO ~~~~
TECHNIQUE COACHING IS GOOD, HOWEVER
THAT MISAKA, IS HE REALLY THAT SKILLED?

OF COURSE! HE'S THE FORMER NO. 1 IN RED!!
BUT, RUMOUR SAYS THAT THE JOBS HANDLED BY THE 6TH DIVISION WERE INSIGNIFICANT, YOU KNOW?
IT'S NOT STRANGE IF HIS SKILLS BECOME DULL...
YOU DON'T HAVE TO WORRY ABOUT THAT ♡

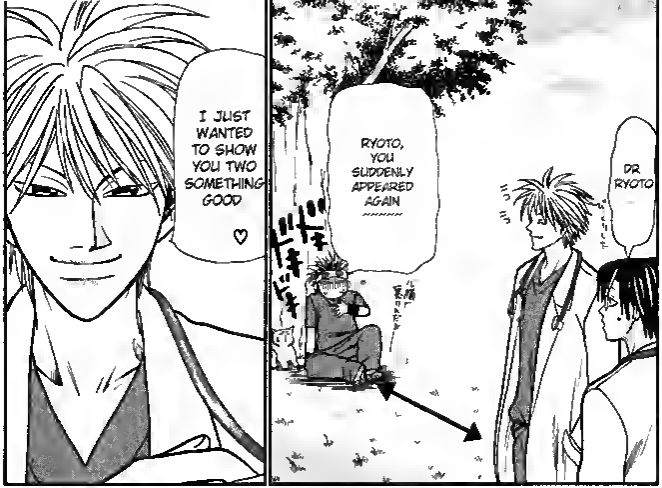
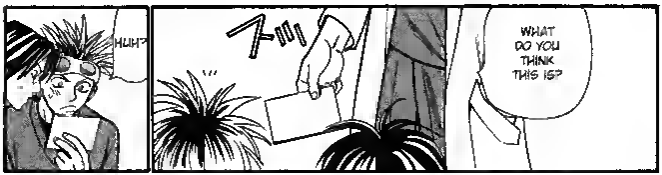
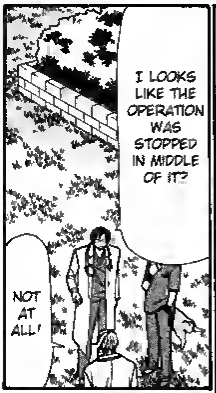
SFX. NUITSU



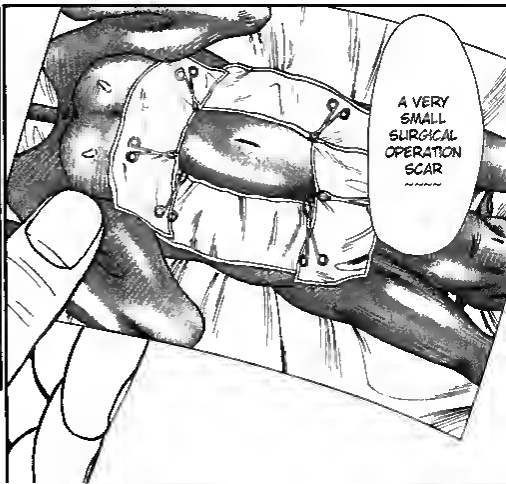
I JUST WANTED TO SHOW YOU TWO SOMETHING GOOD ♡
RYOTO, YOU SUDDENLY APPEARED AGAIN ~~~~~
DR RYOTO



HUH?
WHAT DO YOU THINK THIS IS?



I LOOKS LIKE THE OPERATION WAS STOPPED IN MIDDLE OF IT?
NOT AT ALL!

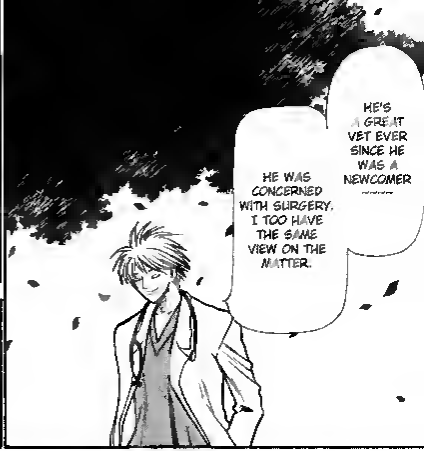


A VERY SMALL SURGICAL OPERATION SCAR ~~~~

!!
THAT'S A SURGERY DONE BY MISAKA YESTERDAY ON A COW'S 4TH STOMACH. THAT RIGHT SIDE IS AN ODD PLACE FOR THE OPERATION SCAR

UNBELIEVABLE A SMALL INCISION LIKE THIS IN THIS AREA FOR A SURGICAL PROCEDURE IS POSSIBLE!?
HE'S GREAT! THIS IS 2 TIMES AS WHAT I.... NO, THIS INCISION IS 3 TIMES BETTER THAN WHAT I CAN DO!!
WELL, THIS TRIPPLE INCISION CAN'T BE DONE NORMALLY
BUT WITH MIKASA'S INGENIUS SURGERY MENTOR ~~~~
HE'S KNOWN AS THE NO 1 RED

T/S: THE OLD MAN REFERED HERE IS MISAKA.



TO WILD ANIMALS, THE STRESS BROUGHT BY A LARGE INCISION CAN KILL THEM
THE BODY WILL BEAR LESS BURDEN THAT WAY
WHEN PERFORMING A SURGERY DOING A SMALL INCISION IS OBVIOUSLY THE BEST WAY

WE'RE SORRY FOR BEING LATE!
SFX: SUNTSU

HUH
WE'RE VERY SORRY !!
SFX: SUNTSU
I'LL LET YOU OFF THIS TIME
IF THIS HAPPEN AGAIN I'LL QUIT TEACHING YOU!

BUT DR. MISAKA, WHAT ARE WE SUPPOSE TO DO IN THIS PLACE...?

SURGERY TRAINING?
YEAH, RIGHT.
SFX: GON GON
SURGERY TRAINING!

YOU ARE ENTRUSTED TO DO A DIFFICULT AND EXPENSIVE MEDICAL EXAMINATION AND TREATMENT OVERSEAS.

HOWEVER, IT'S NOT JUST A DESK, THERE'S A SMALL HOLE IN THE MIDDLE OF IT.

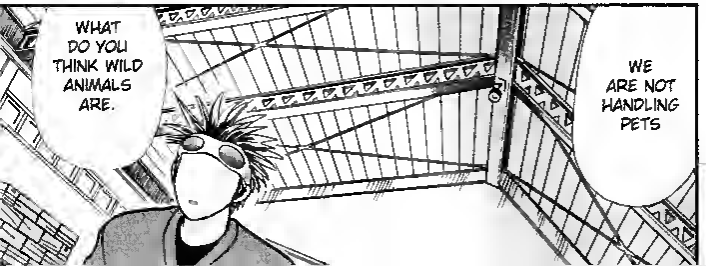
YOU'RE THE IDIOT.
AHHHH !!!
YOU CAN'T SEE ANYTHING WITH THIS ~~~!
HUH !?

THAT'S MAYBE SO, BUT
WHEN PERFORMING SURGERY, YOU CAN BARELY SEE THE PART YOU'RE SEWING. THAT'S THE FIRST THING THOUGH IN SCHOOL
EVEN FOR YOU, PERFORMING SURGERY BY JUST LOOKING THROUGH THIS SMALL HOLE!!
IS NOT POSSIBLE !!

HUH?
SFX PON
THAT HOLE IS TOO SMALL FOR YOU TO COMPREHEND
YOU POOR THING

DO YOU GET IT BOY
WITH YOUR HAND AND TOOLS IN IT, YOU CAN BARELY SEE INSIDE THE INCISION
THAT'S THE PURPOSE OF THAT HOLE
YOU SURE ARE
PITIFUL
THE SIZE OF THAT HOLE IS JUST ENOUGH FOR ANYBODY TO DO IT
WELL, THE FIRST TO ENTER THE INCISION IS THE FORCEPS ISN'T IT.



WHAT DO YOU THINK WILD ANIMALS ARE.
WE ARE NOT HANDLING PETS

THEY'RE NOT USED TO HUMANS SO THEY FEEL UNEASY IN OUR PRESENCE.
SO NATURALLY, A 1 MILIMETER SMALL INCISION IS BEING DONE.

TO WILD ANIMALS A LARGE WOUND IS NOT TOLERABLE THEY COULD DIE FROM THE STRESS OF SUCH WOUND
ISN'T IT BOY?

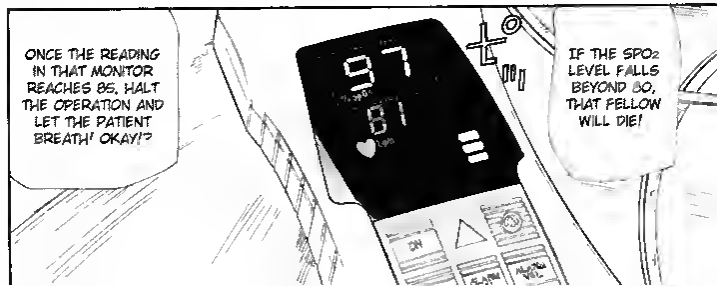
DON'T FORGET THE SPO2 LEVEL!
LISTEN! WHEN DOING LUNG SURGERY, THE BREATHING WILL STOP FOR A MOMENT!
IWASHIRO! I'LL TAKE CARE OF HIS LEGS! YOU CONCENTRATE ON THE CHEST AREA!
OK. THANKS!
SPO2 --- BLOOD OXYGEN SATURATION. THE LEVEL OF OXYGEN IN THE BLOOD. NORMAL LEVEL IS 96 - 99. WHEN THE BREATHING STOPS, THE LEVEL OF OXYGEN FALLS. DURING LUNG SURGERY, THE BREATHING WOULD STOP SO THE BLOOD'S OXYGEN LEVEL MUST MONITORED ALL TIMES THAT IT DOES NOT FALL BEYOND ACCEPTABLE VALUES. IF THE OXYGEN LEVEL IS FALLING NEAR THE ALLOWED VALUES, THE OPERATION WILL BE HALTED SO THE PATIENT COULD BREATH.



ONCE THE READING IN THAT MONITOR REACHES 85, HALT THE OPERATION AND LET THE PATIENT BREATH! OKAY!?

IWASHIRO'S METHOD REQUIRES 1 TECHNIQUE YOU CAN SAY THAT WE'RE ALWAYS SURROUNDED BY WILD ANIMALS
CERTAINLY, THE FACILITIES ARE PREPARED OR INSTALLED IN DIFFERENT LOCATIONS, THUS THE TREATMENT CAN VARY AS WELL
BY LOOKING AT IT NOW THAT TIME, IT CERTAINLY IS DUE TO EQUIPMENT MALFUNCTIONING THE SUPPLY OF ELECTRICITY TO THE FACILITY MIGHT HAVE FLUCTUATED DURING THE OPERATION
THAT'S WHY WE VETS SHOULD NURTURE OUR EVERYDAY EXPERIENCE SO WE CAN USE THEM DURING SUCH TIMES.

IWASHIRO PICKED THAT UP ALREADY,
YOU TOO SHOULD DO BETTER ON THIS.

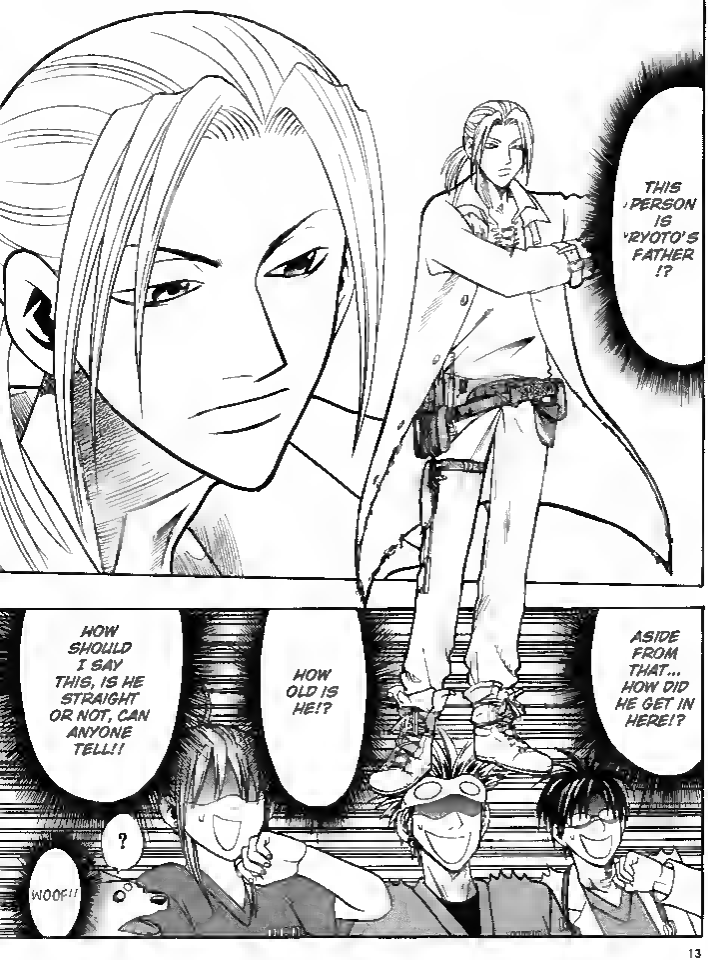
RYOTO'S FATHER IS LIKE A GOD IN THE WORLD OF VETERINARY MEDICINE!

ANYWAY... EVEN THOUGH HE ALREADY QUIT THE UNIVERSITY, HE IS STILL HELD AS THE MOST INFLUENCIAL VET IN JAPAN.
HE'S A REALLY AMAZING PERSON! I TOO RESPECT HIM SO MUCH!!
BY THE WAY, OUR DIRECTOR HERE WAS USED TO BE PROFESSOR RYOTO'S STUDENT.
EH!!
IS... THAT TRUE?
YEAH...
11
TO GO AGAINST THE WILL OF THAT WORLD-FAMOUS VET, IS IMPOSSIBLE
BUT ~~~!
IT'S JUST HIS DAD. RYOTO CAN REBEL IF HE DOESN'T WANT TO
YOU'RE OVERLY OPTIMISTIC!
HE CAN KILL ANYONE WHO REBELS AGAINST HIM, EVEN IF IT'S HIS SON

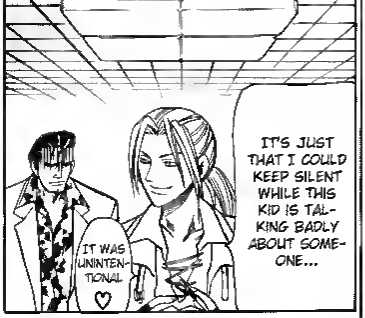
I'D KILL HIM,
BUT BEFORE THAT, I'LL START WITH YOU.

EHHM
PRO-FESSOR RYOTO!
EHH!?
NO WAY ...



THIS PERSON IS RYOTO'S FATHER!?
ASIDE FROM THAT... HOW DID HE GET IN HERE!?
HOW OLD IS HE!?
HOW SHOULD I SAY THIS, IS HE STRAIGHT OR NOT, CAN ANYONE TELL!!
?
WOOF!!

OPS... I CAN'T EVEN MOVE AN INCH
HEY, WAIT
DON'T BE RASH
HMM



IT'S JUST THAT I COULD KEEP SILENT WHILE THIS KID IS TALKING BADLY ABOUT SOMEONE...
IT WAS UNINTENTIONAL ♡

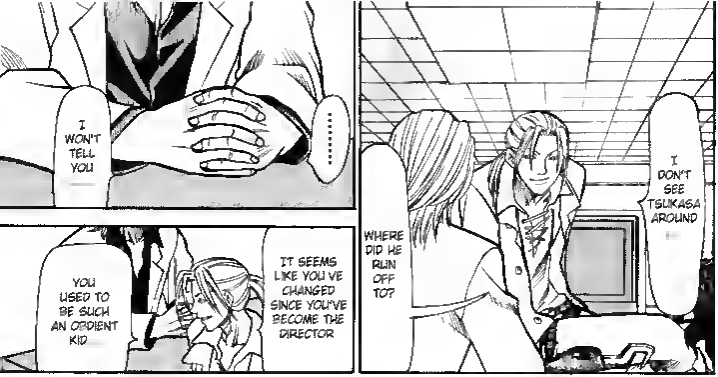
I'M JUST KIDDING ♡

UNINTENTIONAL

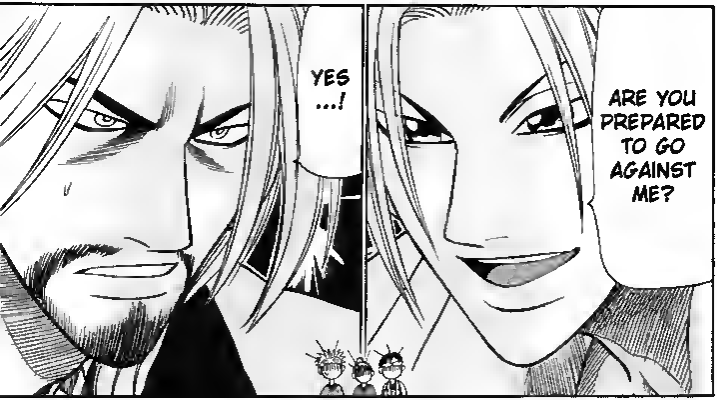
!!

ANYWAY

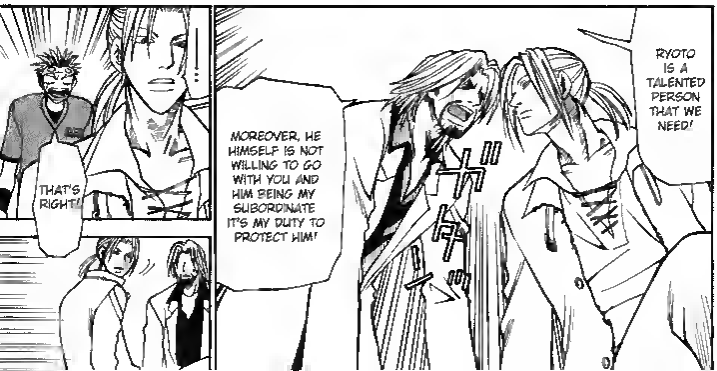
NOW THEN
LET'S GET TO THE MAIN POINT TAKAMIYA-KUN



I WON'T TELL YOU
.....
I DON'T SEE TSUKASA AROUND
WHERE DID HE RUN OFF TO?
IT SEEMS LIKE YOU'VE CHANGED SINCE YOU'VE BECOME THE DIRECTOR
YOU USED TO BE SUCH AN OBEDIENT KID

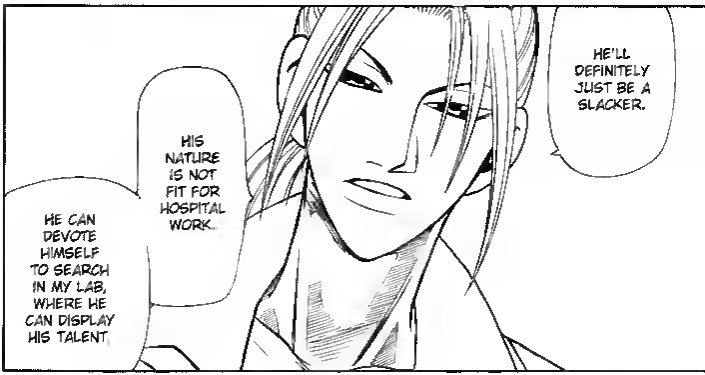


YES ...!
ARE YOU PREPARED TO GO AGAINST ME?



THAT'S RIGHT!!
MOREOVER, HE HIMSELF IS NOT WILLING TO GO WITH YOU AND HIM BEING MY SUBORDINATE IT'S MY DUTY TO PROTECT HIM!
RYOTO IS A TALENTED PERSON THAT WE NEED!

YOU DON'T GET IT
IT'S TRUE THAT TSUKASA IS MORE TALENTED THAN I AM...
BUT IF I DON'T LET HIM WALK TO THE SAME PATH AS I DID...
YOU SHOULD RESPECT YOUR SON'S DECISION!
MORE-OVER YOU'RE HIS FATHER RIGHT!
EVEN IF YOU DON'T LOOK SO
RYOTO IS AN IMPORTANT MEMBER OF R.E.D AND IT WILL BE TROUBLESOME FOR US IF HE LEAVES!!
RED



HE'LL DEFINITELY JUST BE A SLACKER.
HIS NATURE IS NOT FIT FOR HOSPITAL WORK...
HE CAN DEVOTE HIMSELF TO SEARCH IN MY LAB, WHERE HE CAN DISPLAY HIS TALENT

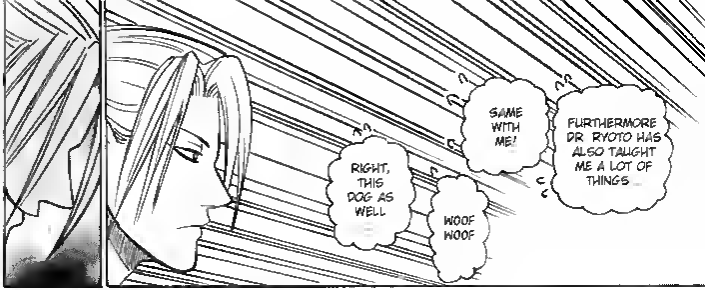
IN HERE, HE'LL JUST BE READING MANGA AND STRANGE MAGAZINES
ギロッ
N...NO THAT IS
DO YOUR BEST DI-RECTOR!!
THAT'S RIGHT

RYOTO IS EXTREMELY GOOD AT TEACHING THE NEWBIES!
ESPECIALLY HIM! IWASHIRO TESSHO'S GROWTH IS REMARKABLE!
A...

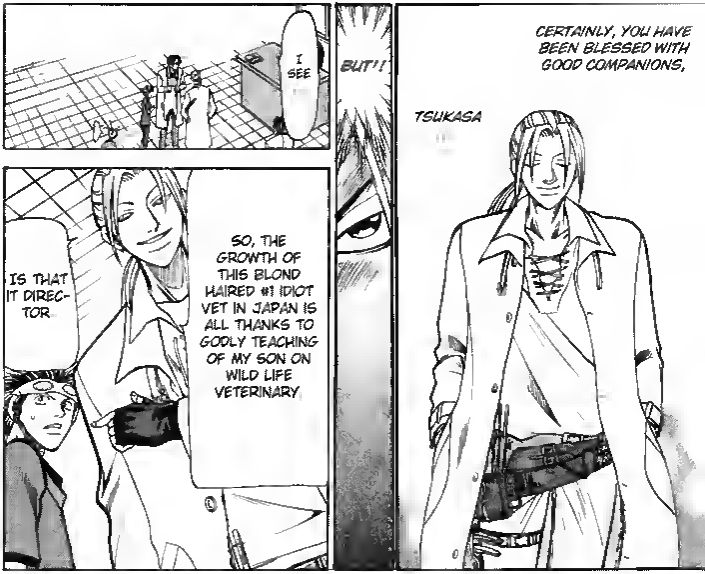
TH... THA THAT'S RIGHT! I IMPROVED A LOT!!
IT WAS THANKS TO HIS TRAINING
THAT'S WHY, I'LL BE TROUBLED IF HE LEAVES!!
THAT'S RIGHT! THIS GUY IS THE #1 MORON VET IN JAPAN IT'S ALL THANKS TO DR. RYOTO THAT HE GOT SAVED FROM UNEMPLOYMENT!
EXACTLY! HE HAS GROWN REMARKABLY! AND IT'S ALL THANKS TO DR. RYOTO!!
WOOF WOOF!!

17

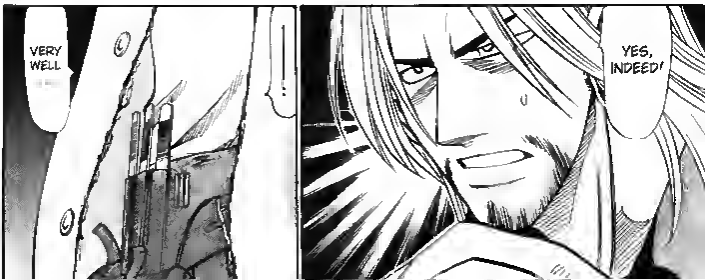
UHM GUYS
WOOF!!
MOREOVER, THIS IS SOMETHING THAT THE VETERINARY SCHOOLS CAN'T HANDLE WITHOUT A DOUBT. HE'S A TOTAL IDIOT!
HE'S VERY, EXTREMELY, TOTALLY AN IDIOT, YOU SEE?!



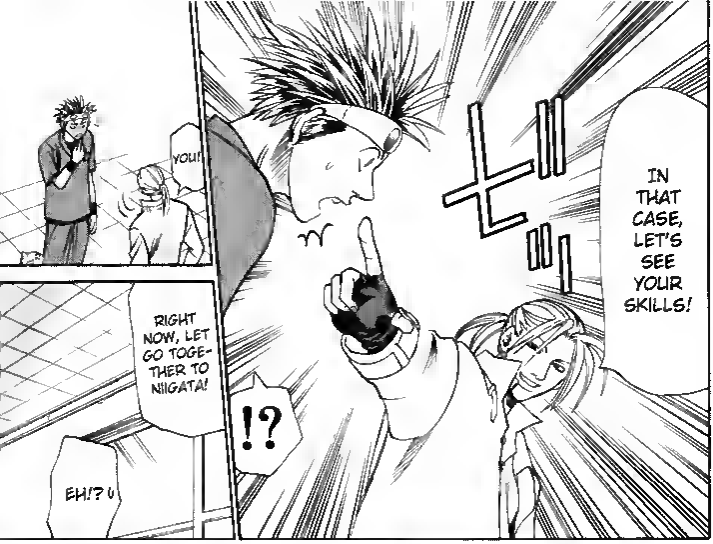
SAME WITH ME!
FURTHERMORE DR. RYOTO HAS ALSO TAUGHT ME A LOT OF THINGS...
RIGHT, THIS DOG AS WELL...
WOOF WOOF



I SEE...
BUT!!
CERTAINLY, YOU HAVE BEEN BLESSED WITH GOOD COMPANIONS,
TSUKASA
SO, THE GROWTH OF THIS BLOND HAIRED #1 IDIOT VET IN JAPAN IS ALL THANKS TO GODLY TEACHING OF MY SON ON WILD LIFE VETERINARY
IS THAT IT DIRECTOR



VERY WELL...
YES, INDEED!



YOU!
IN THAT CASE, LET'S SEE YOUR SKILLS!
RIGHT NOW, LET GO TOGE-THER TO NIIGATA!
!?
EH!?

NI... NIIGATA !?
WHY?
ACTUALLY, I JUST LEARNED THIS WHEN I GOT BACK HERE,
SEA OTTER ...
THERE'S A SICK SEA OTTER THAT NEEDS TREAT-MENT IN THE AQUARIUM MANAGED BY MY BROTHER IN LAW IN NIIGATA
MY UNCLE IN NIIGATA
NII-GATA !?

SEA OTTER IS A RELATIVELY DIFFICULT ANIMAL TO HANDLE IN JAPAN, THERE'S ONLY 1 CASE OF SEA OTTER SURGERY THAT WAS SUCCESSFUL!
IF YOU'RE ABLE TO CURE IT, I WILL RECOGNIZE YOUR AND MY SON'S SKILLS!

BUT...
IF YOU FAIL... YOU WILL GIVE UP AND STOP MEDDLING WITH MY SON'S AFFAIRS!

MASATO FUJISAKI PRESENTS

藤崎聖人

I FINALLY ARRIVED ~~~ ♡
新潟駅
CHAPTER 22:
A TRULLY STRAIGHT MAN IS A DEFINITE LEADER
HELLO ~~~~ IS THAT YOU DIRECTOR ~~?
THANKS TO YOU I ARRIVED SAFELY IN NIIGATA
There's a problem Ryoto!!
!

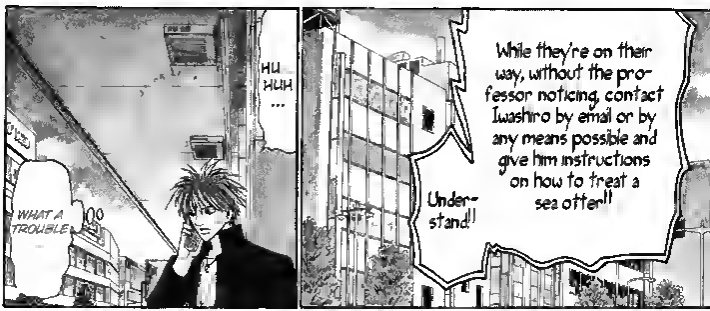
ACTUALLY... THE SITUATION IS THAT THE JAPAN'S #1 IDIOT VET, OR RATHER A MONKEY, IWASHIRO,
IS BEING TRAINED BY YOU TO BECOME A SPLENDID VET...
Hu ... Huh ...?
Your father, together with Iwashiro, is currently headed to Niigata Aquarium!!
WH... WHY!?
WELL THAT LIE IS BETTER THAN NOTHING
If Iwashiro cannot treat the sea otter
him being your apprentice, would be regarded as your weakness and ~~~~

HE'LL BRING YOU BACK TO HIS RESEARCH CENTER ~~~~~!
THAT'S WHAT YOUR FATHER SAID!!
IS A DEFINITE LEADER!

CHAPTER 23:

A TRULY STRAIGHT MAN

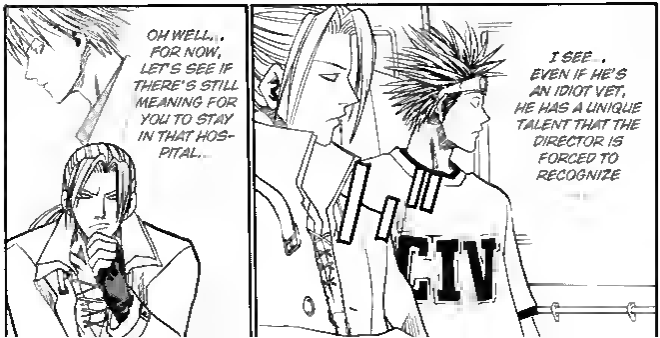
YOU'RE RIGHT.
That's why Ryoto!
I DON'T THINK THAT AN IDIOT VET WITHOUT SPECIAL KNOWLEDGE WOULD BE ABLE TO SAVE A SEA OTTER!!
THAT'S ABSURD! ONLY 1 OUT OF 5 CASES OF SEA OTTER SURGERY SUCCEEDED IN JAPAN... THAT'S A REALLY DIFFICULT ANIMAL TO HANDLE!



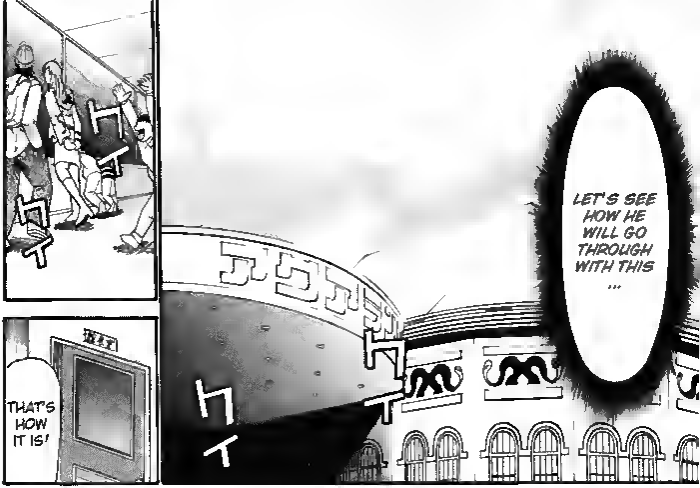
HU HUH...
WHAT A TROUBLE...
While they're on their way, without the professor noticing, contact Iwashiro by email or by any means possible and give him instructions on how to treat a sea otter!!
Understand!!

WHAT SHOULD I DO ...!!
THROUGH EMAIL I DON'T THINK HE'LL BE ABLE TO COMPREHEND IT
*DIOSCOREA TOKORO WOULD BE GOOD BUT, BUT IWASHIRO IS A HARDCORE IDIOT...
*T.N. DIOSCOREA TOKORO IS A SPECIE OF WILD YAM.

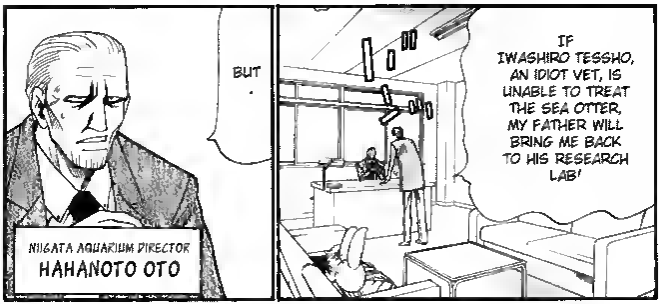
DID YOU SAY SOMETHING ...
HMM... YOU HAVE THE ABSOLUTE PITCH
HMM, MY RESUME
BUT WHAT TERRIBLE CREDENTIALS
WHAT AN IDIOT
BUT BEING A VET, I COULD INSTANTLY DIAGNOSE THE PATIENT'S HEART OR RESPIRATORY DISORDERS, WHICH CAN BE VERY HANDY SOMETIMES!
WELL~~~ BEFORE, I ONLY KNEW HOW TO FOOL ARROUND ...
GUESS~~~ I'M FIT FOR THIS JOB!



OH WELL... FOR NOW, LET'S SEE IF THERE'S STILL MEANING FOR YOU TO STAY IN THAT HOSPITAL..
I SEE . EVEN IF HE'S AN IDIOT VET, HE HAS A UNIQUE TALENT THAT THE DIRECTOR IS FORCED TO RECOGNIZE



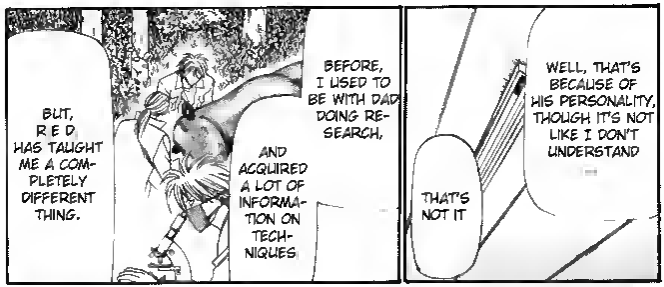
LET'S SEE HOW HE WILL GO THROUGH WITH THIS ...
THAT'S HOW IT IS!



NIIGATA AQUARIUM DIRECTOR
HAHANOTO OTO
BUT.
IF IWASHIRO TESSHO, AN IDIOT VET, IS UNABLE TO TREAT THE SEA OTTER, MY FATHER WILL BRING ME BACK TO HIS RESEARCH LAB!

HIDING HERE WOULD HAVE BEEN PERFECT.
IF DAD WANTED TO CURE SOME SEA OTTER, THERE ARE SOME IN TIMOR-LESTE AND DOESN'T NEED TO COME HERE,
MOREOVER, MY DAD'S STAN-DOFFISH!
SOMEHOW ... TO BASE EVERYTHING IF THIS TESSHO CAN CURE THE SEA OTTER
IT'S TOO LATE TO REFUSE THAT OPERATION

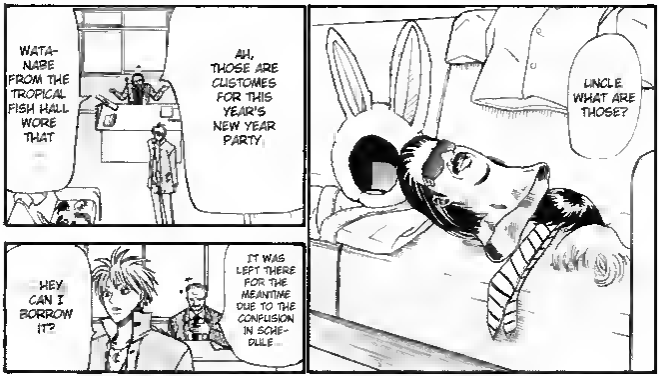
AHH... THAT?
WAS THAT IT?
SO YOU WANTED TO VISIT ME NO MATTER WHAT, WASN'T IT!
ALWAYS BEING BUSY UP UNTIL NOW,
THEN, WHAT WERE YOU SAYING BEFORE!!
BROTHER ORIGINALLY IS A PERSON WHO WORKS A LOT...
BUT, WHY DO YOU OBJECT SO MUCH?



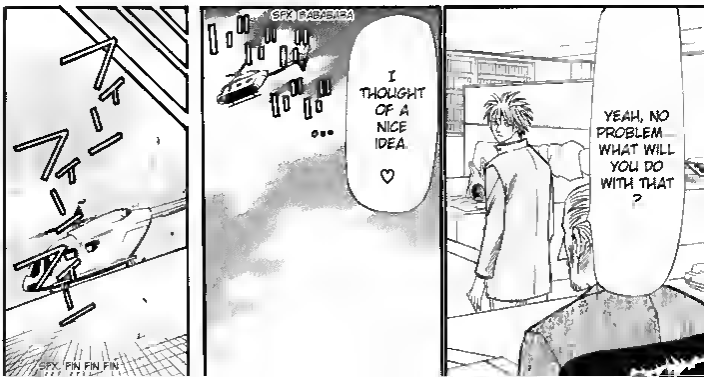
BUT, R E D HAS TAUGHT ME A COMPLETELY DIFFERENT THING.
BEFORE, I USED TO BE WITH DAD DOING RESEARCH,
AND ACQUIRED A LOT OF INFORMATION ON TECHNIQUES
THAT'S NOT IT
WELL, THAT'S BECAUSE OF HIS PERSONALITY, THOUGH IT'S NOT LIKE I DON'T UNDERSTAND

I LEARNED THAT NO MATTER HOW SMALL THE LIFE IS, HUMAN OR NOT, IT'S WORTH SAVING.
THAT'S THE VALUE OF LIFE!

!
SO THAT'S HOW IT IS
ANYWAY IF THIS PROBLEM IS NOT RESOLVED
!



UNCLE WHAT ARE THOSE?
AH, THOSE ARE CUSTOMES FOR THIS YEAR'S NEW YEAR PARTY
WATA-NABE FROM THE TROPICAL FISH HALL WORE THAT
IT WAS LEFT THERE FOR THE MEANTIME DUE TO THE CONFUSION IN SCHE-DULE
HEY CAN I BORROW IT?



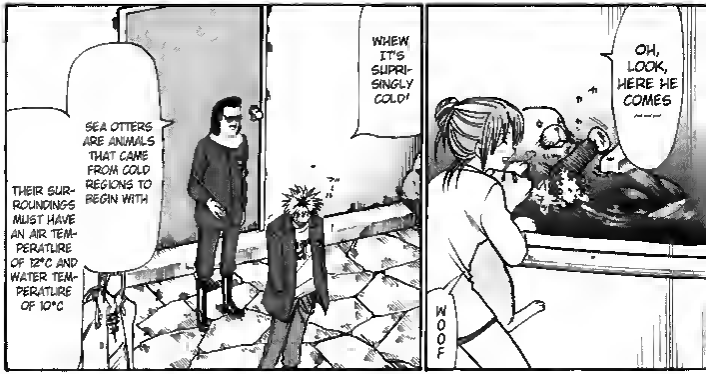
SFX: BABABRA
I THOUGHT OF A NICE IDEA
♡
...
YEAH, NO PROBLEM... WHAT WILL YOU DO WITH THAT ?
SFX: FIN FIN FIN

I'M THE ONE IN-CHARGE OF THE SEA OTTER. I'M RYO... RAKOU AT YOUR SERVICE
FA PROFESSOR RYOTO AND R.E.D. MEMBERS ISN'T IT, THANK YOU SO MUCH FOR COMMING ALL THE WAY HERE
HERE'S THE AQUARIUM MANAGED BY MY BROTHER-IN-LAW
HMM~~~~
RYOTO FAMILY IS REALLY RICH...
OH THANKS A LOT...

I THINK I'VE HEARD IT BEFORE SOMEWHERE
HOWEVER, YOUR VOICE
SEA OTTER BREEDER MR RAKOU IT SEEMS YOU'RE QUITE DIFFERENT FROM THE OTHERS
YOU COULD SAY SO
HIS NAME SOUNDS LIKE THOSE GUYS FROM CRAM SCHOOLS
BEING A LIVE-IN EMPLOYEE I'VE DEVELOPED A STRONG FEELING OF LIKING TOWARDS THE SEA OTTERS THUS AS MUCH AS POSSIBLE I DON'T WANT TO BE SEPARATED FROM THEM
I DON'T THINK SO? I BEEN WITH THE SEA OTTERS FOR 20 YEARS ~~~~~

.....
COME NOW THIS WAY PLEASE ~~~~
AS EXPECTED MR. ABSOLUTE PITCH! SCORN YOU TESSHO ...
BUT YOUR VOICE SOUNDS REALLY FAMILIAR ~~~~
WHMM
SO I DOUBT THAT WE'VE MET BEFORE

THIS IS THE BREEDING GROUND OF 7 FULLY GROWN SEA OTTERS.
THE ONE THAT NEEDS TREATMENT IS IN HERE
DOGGY-CHAN, TODAY WE'RE JUST GONNA BE OBSERVING ~~~~
WOOF

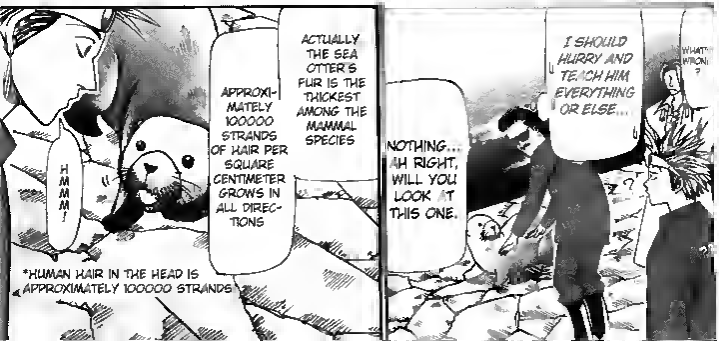


WHEW IT'S SUPRI-SINGLY COLD!
SEA OTTERS ARE ANIMALS THAT CAME FROM COLD REGIONS TO BEGIN WITH
THEIR SUR-ROUNDINGS MUST HAVE AN AIR TEM-PERATURE OF 12°C AND WATER TEM-PERATURE OF 10°C
OH, LOOK, HERE HE COMES ~~~
WOOF

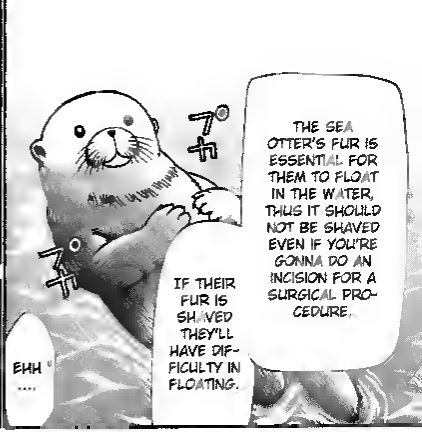
WHAT'S WITH THIS BREEDER...
EH~ ~~~
THAT'S WHY, IF YOU'RE PERFORMING A SURGERY, THIS LOW TEMPERATUE MUST BE MAINTAINED

BHH, WELL, I'VE BEEN RAISING SEA OTTERS FOR 20 YEARS.
WOW~~~~~! YOU KNOW IT VERY WELL! JUST LIKE A VET ~~~~~
NORMALLY, PUTTING ANY KIND OF ANIMAL IN HERE IS NOT GOOD, HOWEVER ANIMALS HAVE THE ABILITY TO RAISE THEIR BODY TEMPERATURE,
RAISING BODY TEMPERATURE IS EASY FOR SEA OTTERS SO CAUTION IS NEED.
IT'S IMPORTANT TO KNOW THIS!
IMPOSSIBLE.....!
CERTAINLY, WITH 20 YEARS OF BREEDING EXPERIENCE YOU CAN HAVE FULL KNOWLEDGE ABOUT THE ANIMAL YOU'RE BREEDING~~~~~

HOWEVER, GIVEN THAT THERE ARE ONLY 5 CASES OF SEA OTTER SURGERY IN JAPAN, HOW COME HE KNOWS SO MUCH ABOUT IT!?
SUSPICIOUS
THIS IS BAD. HE'S STARTING TO SUSPECT ME

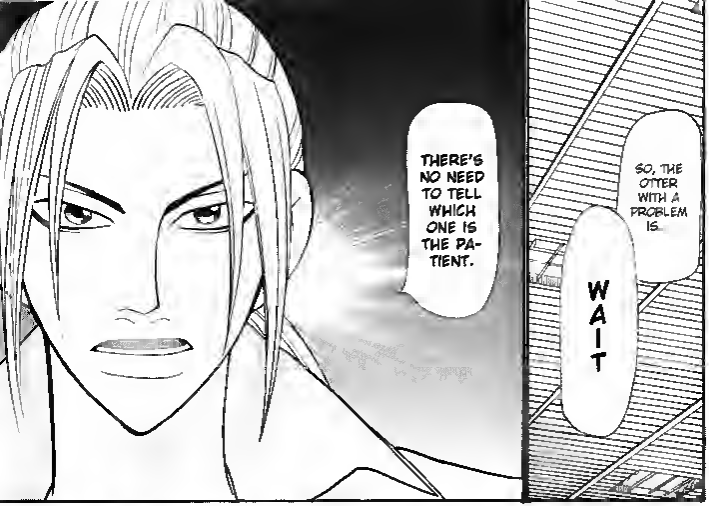


I SHOULD HURRY AND TEACH HIM EVERYTHING OR ELSE...
WHAT'S WRONG?
NOTHING... ALRIGHT, WILL YOU LOOK AT THIS ONE.
ACTUALLY THE SEA OTTER'S FUR IS THE THICKEST AMONG THE MAMMAL SPECIES
APPROXIMATELY 100000 STRANDS OF HAIR PER SQUARE CENTIMETER GROWS IN ALL DIRECTIONS
HMMM!
*HUMAN HAIR IN THE HEAD IS APPROXIMATELY 100000 STRANDS

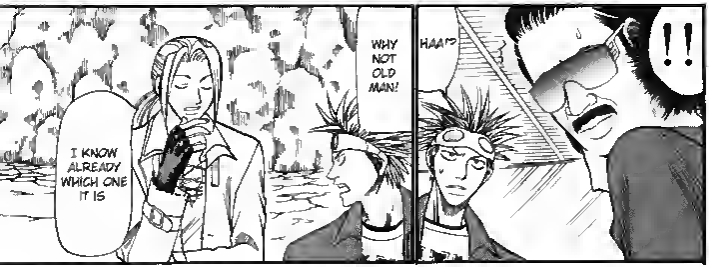


EHH ....
IF THEIR FUR IS SHAVED THEY'LL HAVE DIFFICULTY IN FLOATING.
THE SEA OTTER'S FUR IS ESSENTIAL FOR THEM TO FLOAT IN THE WATER, THUS IT SHOULD NOT BE SHAVED EVEN IF YOU'RE GONNA DO AN INCISION FOR A SURGICAL PROCEDURE.

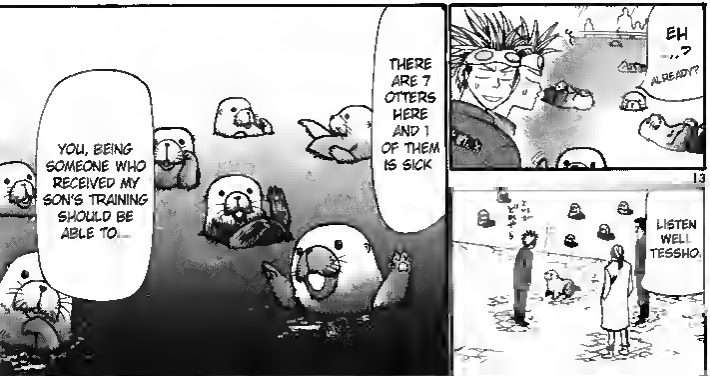
* SEA OTTER'S FUR INCREASES THEIR ABILITY TO FLOAT.



SO, THE OTTER WITH A PROBLEM IS...
WAIT
THERE'S NO NEED TO TELL WHICH ONE IS THE PATIENT.

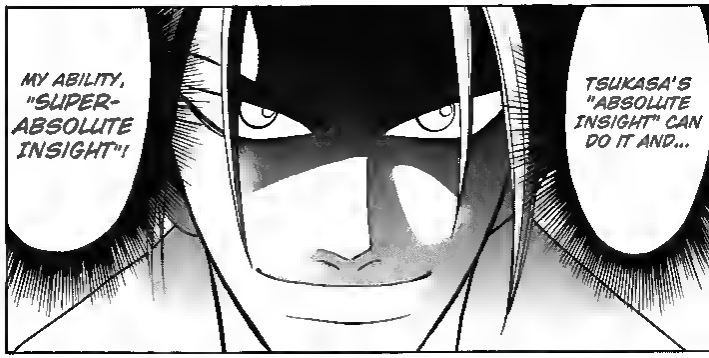


!!
HAA!?
WHY NOT OLD MAN!
I KNOW ALREADY WHICH ONE IT IS

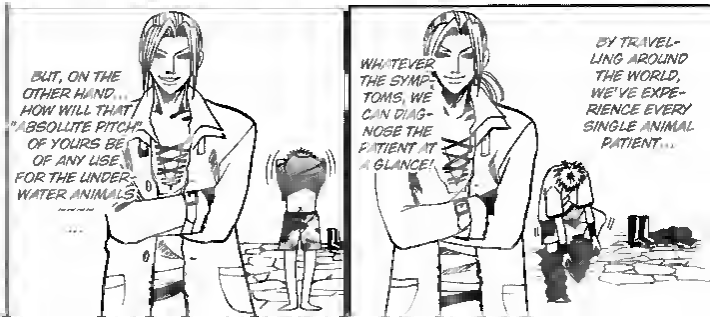


EH ...? ALREADY?
THERE ARE 7 OTTERS HERE AND 1 OF THEM IS SICK
YOU, BEING SOMEONE WHO RECEIVED MY SON'S TRAINING SHOULD BE ABLE TO...
LISTEN WELL TESSHO.

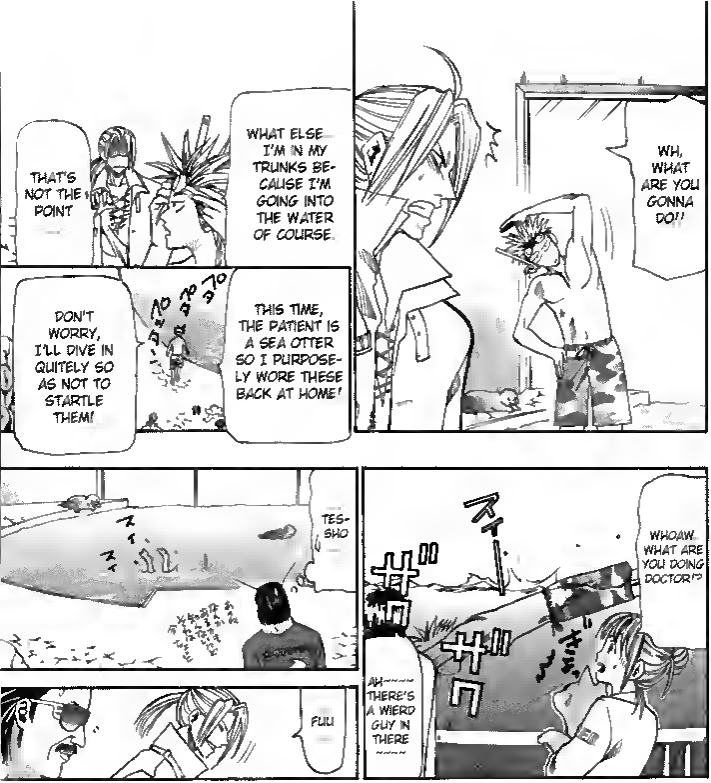
OKAY
IDENTIFY WHICH ONE OF THEM IS SICK, DON'T YOU?



MY ABILITY, "SUPER-ABSOLUTE INSIGHT"!
TSUKASA'S "ABSOLUTE INSIGHT" CAN DO IT AND...



BUT, ON THE OTHER HAND... HOW WILL THAT "ABSOLUTE PITCH" OF YOURS BE OF ANY USE FOR THE UNDER-WATER ANIMALS?
WHATEVER THE SYMP-TOMS, WE CAN DIAG-NOSE THE PATIENT AT A GLANCE!
BY TRAVEL-LING AROUND THE WORLD, WE'VE EXPE-RIENCE EVERY SINGLE ANIMAL PATIENT...



WH, WHAT ARE YOU GONNA DO!!
WHAT ELSE I'M IN MY TRUNKS BECAUSE I'M GOING INTO THE WATER OF COURSE
THAT'S NOT THE POINT
THIS TIME, THE PATIENT IS A SEA OTTER SO I PURPOSELY WORE THESE BACK AT HOME!
DON'T WORRY, I'LL DIVE IN QUITELY SO AS NOT TO STARTLE THEM!

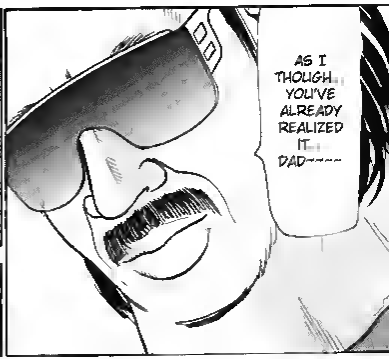
TESSHO
WHOAW.. WHAT ARE YOU DOING DOCTOR!?
FUU
AH~~~~ THERE'S A WIERD GUY IN THERE ~~~~

HA HA
HA HA
HA HA
HA HA

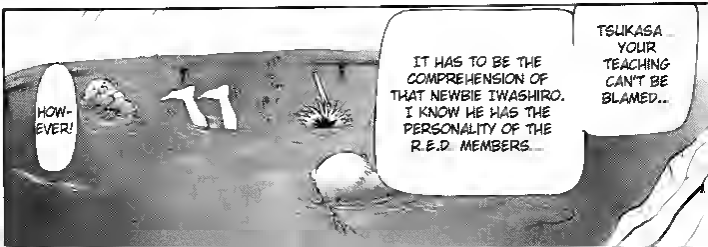
A LOT OF SEA OTTER'S FALLEN HAIR ARE IN THE SURFACE. THEY'RE DIGESTIVE POWER ARE WEAK SO A LOT OF FOOD AND DROPPINGS SINK IN THE WATER. GIVEN THESE, THE WATER TANK IN THE AQUARIUMS ARE EXTREMELY FILTHY
HE'S REALLY AN IDIOT! TO THINK THAT A VET WOULD SWIM INTO THAT FILTHY SEA OTTER WATER TANK ...!
WHAT'S WITH HIM!!

!
HEY TSUKASA ~~~~

I'M RYOTO KENICHI FROM THE HEAVENS!
WHO DO YOU THINK I AM.



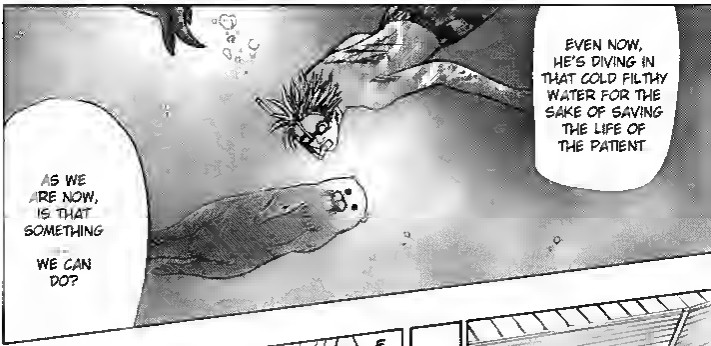
AS I THOUGH... YOU'VE ALREADY REALIZED IT... DAD~~~~



HOW-EVER!
IT HAS TO BE THE COMPREHENSION OF THAT NEWBIE IWASHIRO. I KNOW HE HAS THE PERSONALITY OF THE R.E.D. MEMBERS...
TSUKASA... YOUR TEACHING CAN'T BE BLAMED..

NO MATTER HOW GOOD HIS CHARACTER IS, WITH THAT LOW INTELIGENCE OF HIS, THERE'S A LIMIT ON HOW MUCH HE CAN LEARN
BECAUSE AN IDIOT WILL ALWAYS BE AN IDIOT!
BUT YOU'RE WRONG!
BEING A PERSON FROM THE CIRCLE OF IDIOTS CAN YOU COPE WITH DIFFICULT CONVERSATIONS?!
STOP THIS USELESS IDEA, COME BACK WITH ME!
DAD IS
?
DAD IS MISTAKEN ABOUT SOMETHING
I HAVEN'T TAUGHT HIM AT ALL...!
WHAT?
RIGHT NOW, I'M LETTING HIM TEACH YOU!
THE THING THAT YOU'VE LOST, PASSION!!
PAS
SION
?

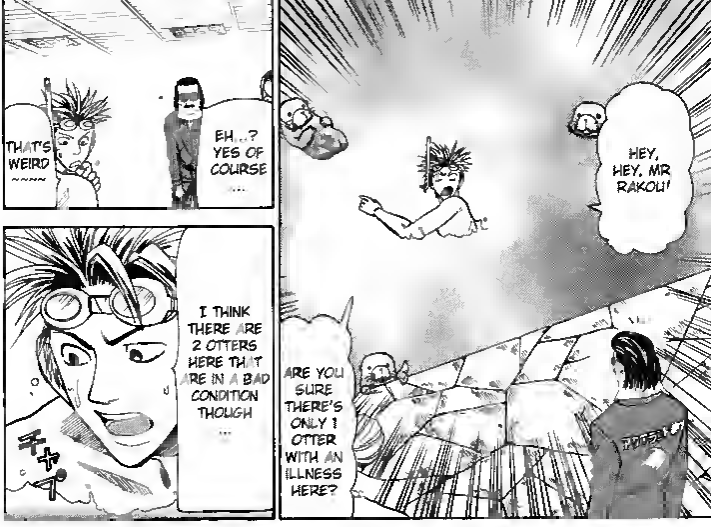
WHEN HE FACES A PATIENT, HE WILL NOT THINK WHAT SITUATION HE'S GETTING HIMSELF INTO
EVEN IF THE POACHER WAS AIMING AT HIM, HE WOULDN'T LET GO OF THE BEAR'S WOUND!
THERE WAS EVEN A TIME WHERE HE DID NOT CARE IF HE LOOSE HIS LICENSE AS A VET...



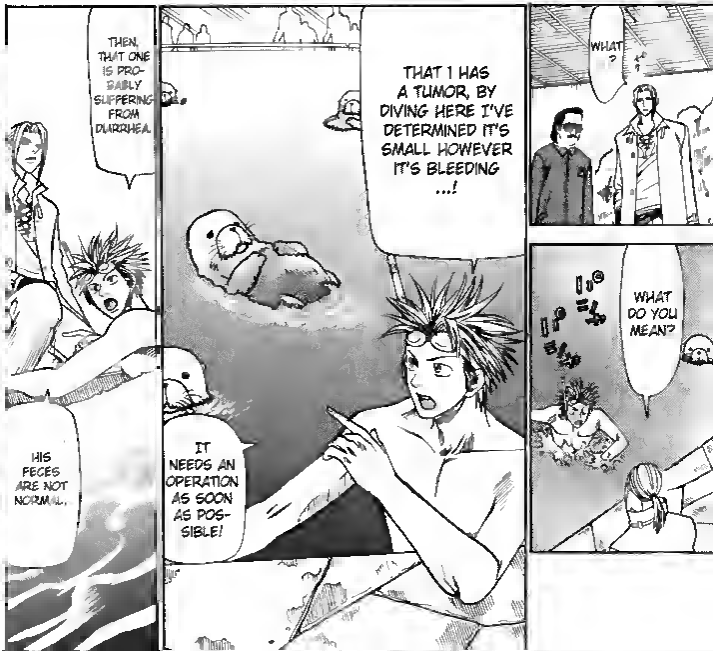
EVEN NOW, HE'S DIVING IN THAT COLD FILTHY WATER FOR THE SAKE OF SAVING THE LIFE OF THE PATIENT
AS WE ARE NOW, IS THAT SOMETHING WE CAN DO?

FOOLISH!
THAT'S BECAUSE, ASIDE FROM HAVING "ABSOLUTE PITCH", HE HAS NO TALENT!
WE CAN DRAW THE DIAGNOSIS BY MERELY LOOKING AT THE PATIENT, THUS IT'S NOT NECESSARY TO DIVE INTO THAT WATER!

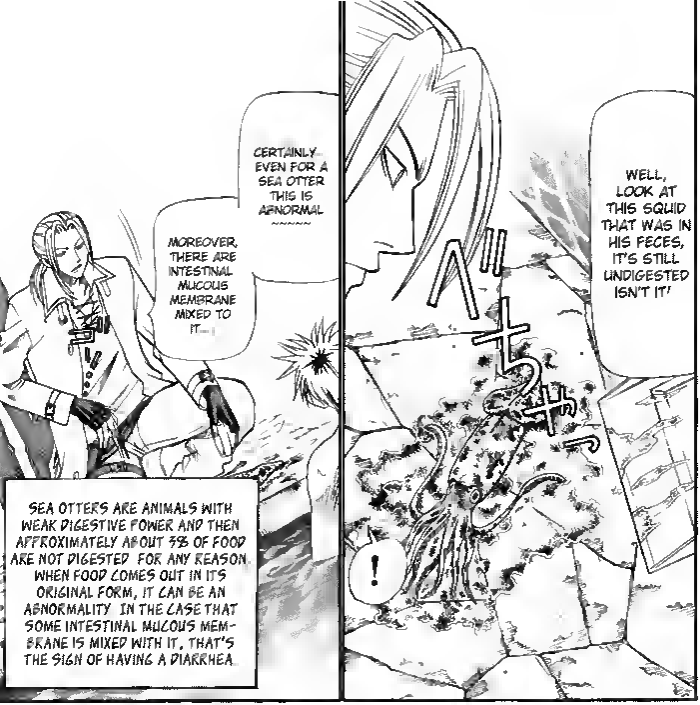
ON THE CONTRARY EVEN IF HE DID NOT HAVE "ABSOLUTE PITCH"
HE IS NOT A TRASH
YOUR A FOOL TO BE INFLUENCED BY THAT TRASH TO THE POINT THAT YOU'VE FALLEN!
WHAT BENEFIT IS IT FOR YOU TO DEFEND HIM THIS MUCH!!
19
AMONGST THE PEOPLE I'VE MET, HE IS...
THE BEST VETERI-NARIAN!!
TSU-KASA
PHEW!



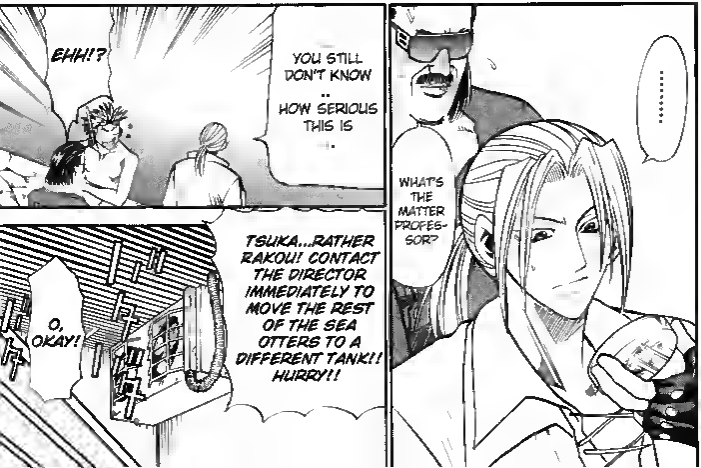
THAT'S WEIRD
~~~~
EH...? YES OF COURSE ...
HEY, HEY, MR RAKOU!
I THINK THERE ARE 2 OTTERS HERE THAT ARE IN A BAD CONDITION THOUGH ...
ARE YOU SURE THERE'S ONLY 1 OTTER WITH AN ILLNESS HERE?



THEN, THAT ONE IS PROBABLY SUFFERING FROM DIARRHEA.
HIS FECES ARE NOT NORMAL.
THAT 1 HAS A TUMOR, BY DIVING HERE I'VE DETERMINED IT'S SMALL HOWEVER IT'S BLEEDING ...!
IT NEEDS AN OPERATION AS SOON AS POSSIBLE!
WHAT?
WHAT DO YOU MEAN?
~~~~

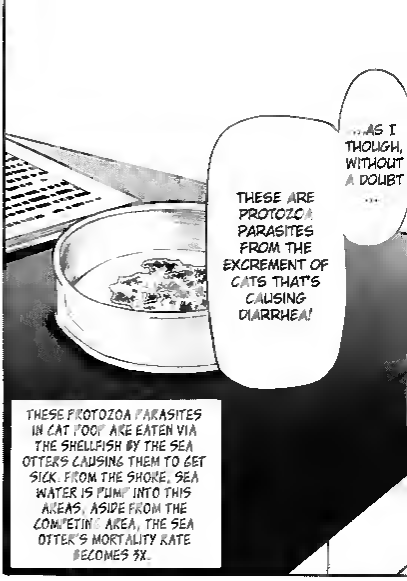


WELL, LOOK AT THIS SQUID THAT WAS IN HIS FECES, IT'S STILL UNDIGESTED ISN'T IT?
!
CERTAINLY EVEN FOR A SEA OTTER THIS IS ABNORMAL ~~~~~
MOREOVER, THERE ARE INTESTINAL MUCOUS MEMBRANE MIXED TO IT...
SEA OTTERS ARE ANIMALS WITH WEAK DIGESTIVE POWER AND THEN APPROXIMATELY ABOUT 5% OF FOOD ARE NOT DIGESTED FOR ANY REASON WHEN FOOD COMES OUT IN ITS ORIGINAL FORM, IT CAN BE AN ABNORMALITY IN THE CASE THAT SOME INTESTINAL MUCOUS MEMBRANE IS MIXED WITH IT, THAT'S THE SIGN OF HAVING A DIARRHEA

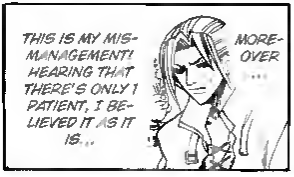


EHH!?
YOU STILL DON'T KNOW ... HOW SERIOUS THIS IS ...
WHAT'S THE MATTER PROFESSOR?
.....
TSUKA...RATHER RAKOU! CONTACT THE DIRECTOR IMMEDIATELY TO MOVE THE REST OF THE SEA OTTERS TO A DIFFERENT TANK!! HURRY!!
O, OKAY!

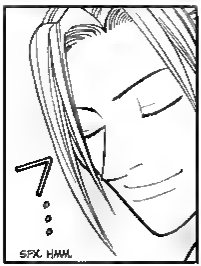
THE SEA OTTERS ARE NOW COMMING ...
IT SEEMS THAT THE OTHERS HAS NOT BEEN INFECTED YET.
THANK GOD IT WAS DISCOVERED EARLY.



...AS I THOUGH, WITHOUT A DOUBT ...
THESE ARE PROTOZOA PARASITES FROM THE EXCREMENT OF CATS THAT'S CAUSING DIARRHEA!
THESE PROTOZOA PARASITES IN CAT POOP ARE EATEN VIA THE SHELLFISH BY THE SEA OTTERS CAUSING THEM TO GET SICK. FROM THE SHORE, SEA WATER IS PUMP INTO THIS AREAS. ASIDE FROM THE COMPETING AREA, THE SEA OTTER'S MORTALITY RATE BECOMES 5X.



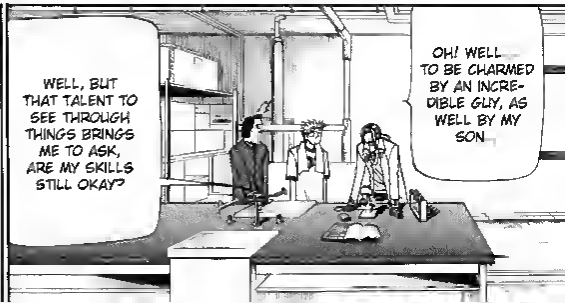
THIS IS MY MISMANAGEMENT! HEARING THAT THERE'S ONLY 1 PATIENT, I BELIEVED IT AS IT IS...
MOREOVER ...



SFX. HMM.

EVEN NOW, HE'S DIVING IN THAT COLD FILTHY WATER FOR THE SAKE OF SAVING THE LIFE OF THE PATIENT
AS WE ARE NOW, IS THAT SOMETHING ... WE CAN DO?

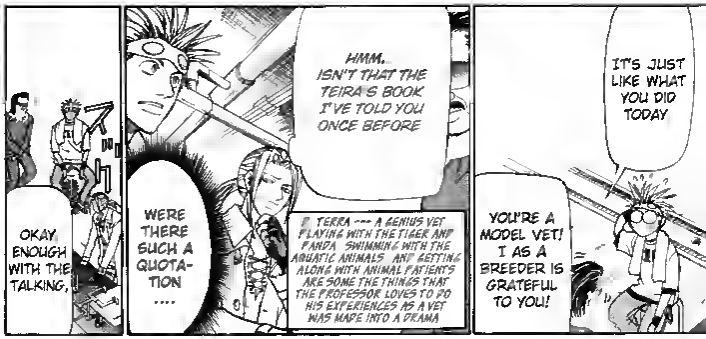
FA PROFESSOR?



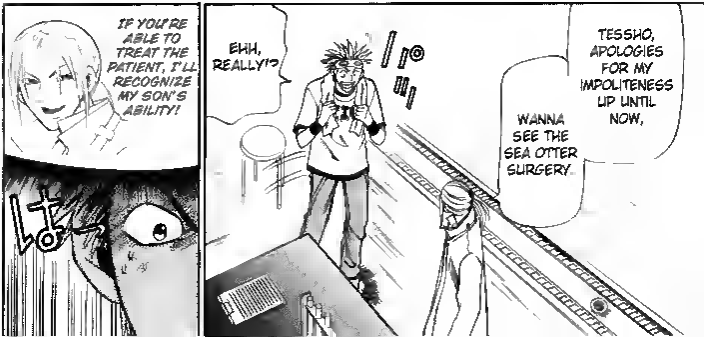
WELL, BUT THAT TALENT TO SEE THROUGH THINGS BRINGS ME TO ASK, ARE MY SKILLS STILL OKAY?
OH! WELL... TO BE CHARMED BY AN INCREDIBLE GUY, AS WELL BY MY SON...

TES-SHO.
HUH?
THIS IS UN-DOUBTEDLY DUE TO YOUR PASSION TO HELP THE PATIENTS
IF YOU DIDN'T ENTERED INTO THAT WATER, WHO KNOWS WHEN THE IN-FECTION WILL BE DISCOVERED
THANKS TO THAT, 7 LIVES WERE SAVED
THANK YOU.
!
23
NO, THAT SORT OF...
I COULDN'T DO MUCH ....
DAD ...
!
..RIGHT.. THERE'S NOTHING TO BE SHY ABOUT IT, R E D MEMBER ..

IT WAS WRITTEN IN A CERTAIN FAMOUS VETERINARY BOOK.
IT STATED, "VETERENARIANS DO NOT SIMPLY LOOK, THEY USE THEIR BODIES TO SERVE ~~~~~"
!

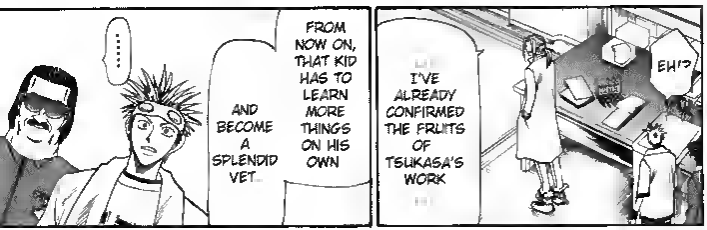


IT'S JUST LIKE WHAT YOU DID TODAY
YOU'RE A MODEL VET! I AS A BREEDER IS GRATEFUL TO YOU!
HMM. ISN'T THAT THE TEIRA'S BOOK I'VE TOLD YOU ONCE BEFORE
P. TERRA --- A GENIUS VET PLAYING WITH THE TIGER AND PANDA. SWIMMING WITH THE AQUATIC ANIMALS AND GETTING ALONG WITH ANIMAL PATIENTS ARE SOME THE THINGS THAT THE PROFESSOR LOVES TO DO HIS EXPERIENCES AS A VET WAS MADE INTO A DRAMA
WERE THERE SUCH A QUOTATION ....
OKAY, ENOUGH WITH THE TALKING,

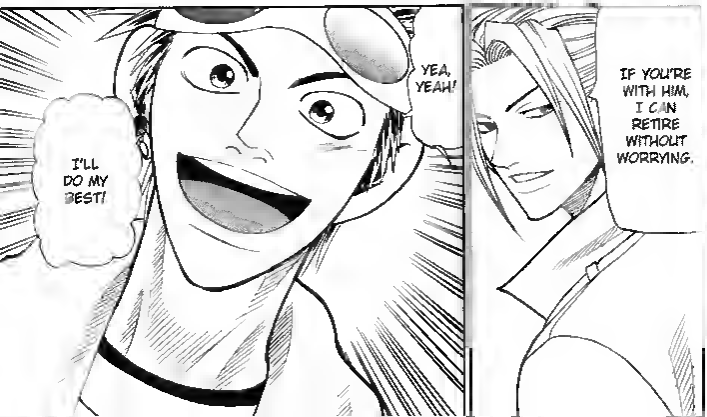


TESSHO, APOLOGIES FOR MY IMPOLITENESS UP UNTIL NOW,
WANNA SEE THE SEA OTTER SURGERY.
EHH, REALLY!?
IF YOU'RE ABLE TO TREAT THE PATIENT, I'LL RECOGNIZE MY SON'S ABILITY!

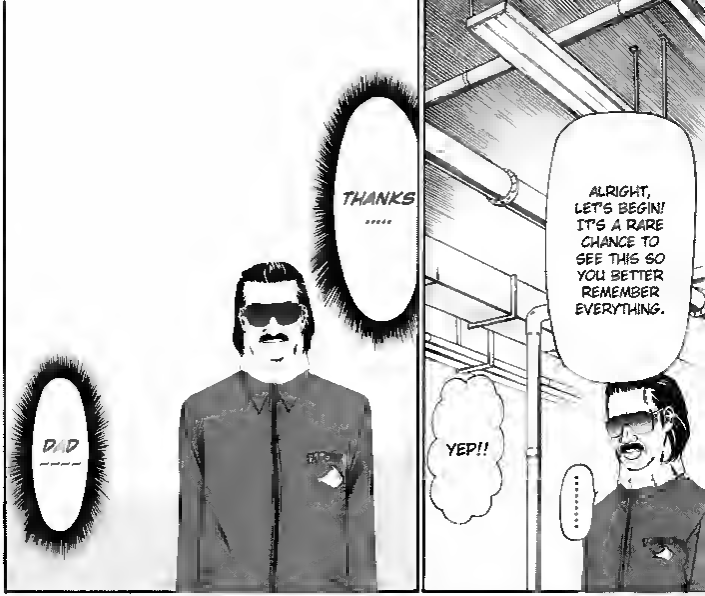
I THINK, I SHOULD DO IT!!
YOU DON'T HAVE TO WORRY
I'LL DEFINITELY SAVE THE SEA OTTER! SO AS RYOTO----- ...
I HAVE NO INTENTION OF BRINGING BACK THAT KID.



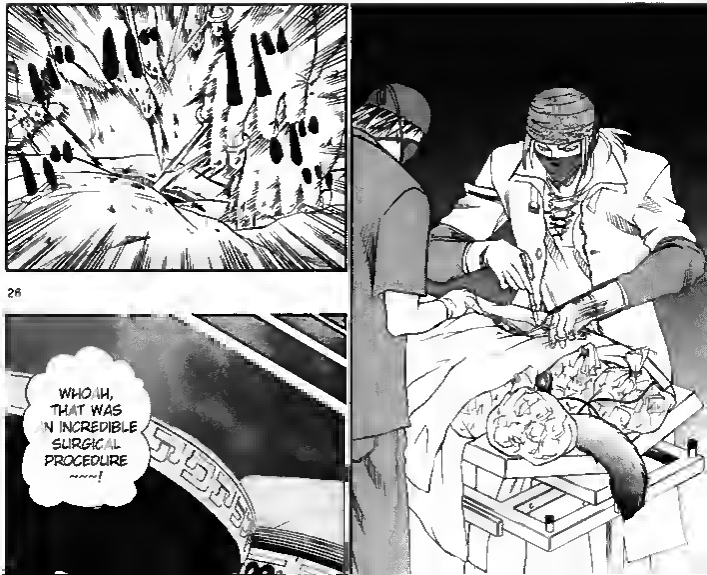
EH!?
I'VE ALREADY CONFIRMED THE FRUITS OF TSUKASA'S WORK
FROM NOW ON, THAT KID HAS TO LEARN MORE THINGS ON HIS OWN
AND BECOME A SPLENDID VET.
.....



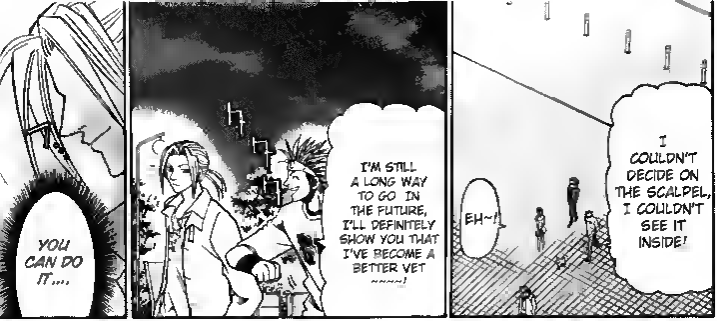
IF YOU'RE WITH HIM, I CAN RETIRE WITHOUT WORRYING.
YEA, YEAH!
I'LL DO MY BEST!



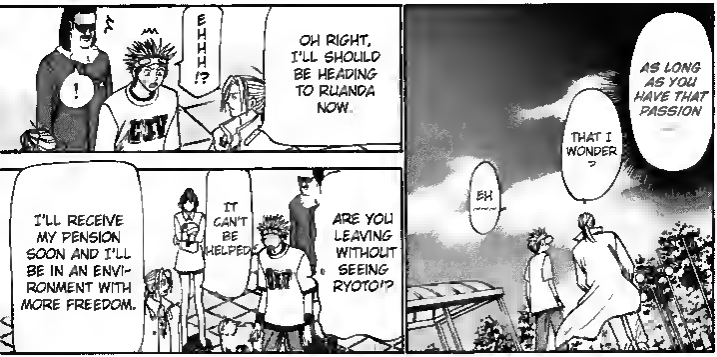
ALRIGHT, LET'S BEGIN! IT'S A RARE CHANCE TO SEE THIS SO YOU BETTER REMEMBER EVERYTHING.
YEP!!
.....
THANKS .....
DAD ~~~~



WHOAH, THAT WAS AN INCREDIBLE SURGICAL PROCEDURE ~~~!

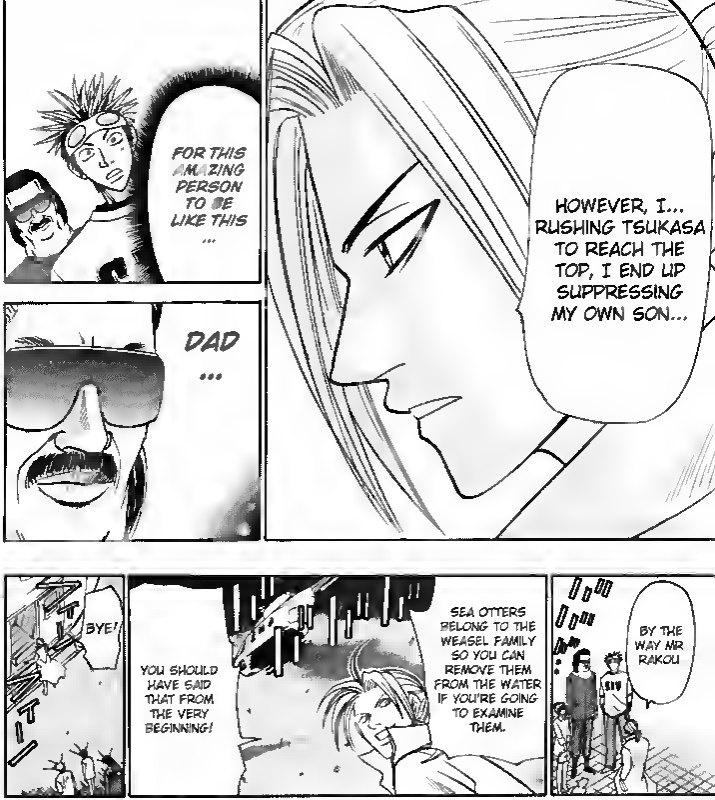


I COULDN'T DECIDE ON THE SCALPEL, I COULDN'T SEE IT INSIDE!
EH~!
I'M STILL A LONG WAY TO GO IN THE FUTURE, I'LL DEFINITELY SHOW YOU THAT I'VE BECOME A BETTER VET ~~~~!
YOU CAN DO IT....



AS LONG AS YOU HAVE THAT PASSION
THAT I WONDER ?
EH ~~~
OH RIGHT, I'LL SHOULD BE HEADING TO RUANDA NOW.
EHHH!?
!
ARE YOU LEAVING WITHOUT SEEING RYOTO!?
IT CAN'T BE HELPED.
I'LL RECEIVE MY PENSION SOON AND I'LL BE IN AN ENVIRONMENT WITH MORE FREEDOM.

PENSION...
I SAY TESSHO
DID YOU KNOW THAT PARENT SEA OTTERS WOULD ALWAYS PUT MENDING THEIR YOUNG'S FUR A PRIORITY BEFORE ANYTHING ELSE.
HUH?
WHAT ARE YOU TALKING ABOUT?
WELL THAT'S FOR THE SAKE OF THEIR YOUNGS TO BE ABLE TO FLOAT EVEN IN THE DANGEROUS OCEAN
!



FOR THIS AMAZING PERSON TO BE LIKE THIS ...
HOWEVER, I... RUSHING TSUKASA TO REACH THE TOP, I END UP SUPPRESSING MY OWN SON...
DAD ...

BYE!
YOU SHOULD HAVE SAID THAT FROM THE VERY BEGINNING!
SEA OTTERS BELONG TO THE WEASEL FAMILY SO YOU CAN REMOVE THEM FROM THE WATER IF YOU'RE GOING TO EXAMINE THEM.
BY THE WAY MR RAKOU

D...DAMN IT!
I TOTALLY FORGOT ABOUT IT!!
OH YEAH, NOW THAT YOU MENTION IT, SEA OTTERS CAN WALK.
IS IS THAT SO!?
DIVING THERE WASN'T NECESSARY?

UHMM, I THINK THIS ONE HAS AN ENTERITIS SYNDROME.
ENTERITIS SYNDROME IS CAUSED BY IMBALANCE OF INTESTINAL STERILIZATION. LATER WOULD RESULT IN DIARRHEA AND SERIOUS ILLNESS.

EH... WHAT KIND OF ILL-NESS? U-CHAN ...

YOU DON'T HAVE TO WORRY TOO MUCH
BIG BRO HERE WILL MAKE SURE TO MAKE HIM WELL

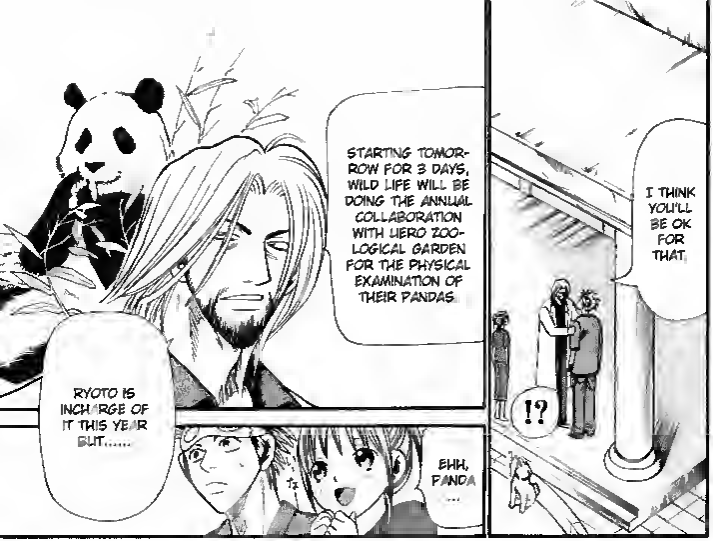
HEY WHAT'S THIS
UHM !!
THANK YOU, DOCTOR !
WHAT KIND OF WIND WAS GONE UNTO HIM?
MOREOVER, HE'S BEING REALLY NICE
WHY IS RYOTO HELPING OUT THE 1ST DIVISION IN DOING PHYSICAL EXAMINATION?
IT'S SUCH A CHANGE OF WIND DOCTOR!
THAT'S IT...
.....
AS LONG AS THERE'S TIME WHEREVER IT IS, I'LL HELP OUT THE PATIENTS
FROM NOW ON I'LL FOLLOW TESSHO'S EXAMPLE TO
THAT OLD MAN?
IT LOOKS LIKE IT'S THE EFFECT OF THE FATHER INCIDENT
AFTER THAT, HE SAID SOMETHING

.....
CERTAINLY
.....
THAT'S A GOOD THING TO HAPPEN
....
!!
EHH, I SEE! THAT'S GOOD!

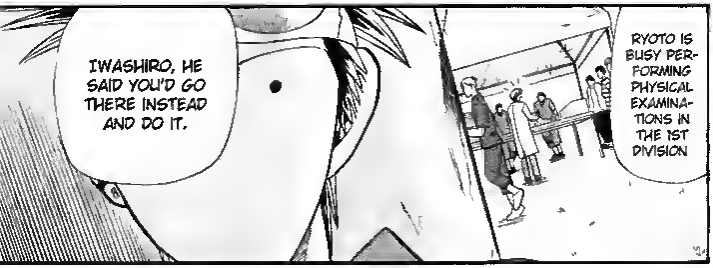
HOWEVER, QUESTIONABLE BOOKS ARE PLACED ALL OVER THE EXAMINATION TABLE...
TRUTHFULLY I'M STILL ANXIOUS
DIRECTOR?
WHAT'S WITH THE UNEASY FACE

EVEN IF OTHERS DOUBT HIM, PLEASE TRUST HIM DIRECTOR!!
IT'S...IT'S OK! THOSE ARE JUST FOR RELAXATION, FOR RELAXATION!
UHM

HMM, TRUST IN HIM HUH
THAT'S RIGHT DIRECTOR!
I SERIOUSLY BELIEVE IN KYOTO!!
RIGHT TESSHO...



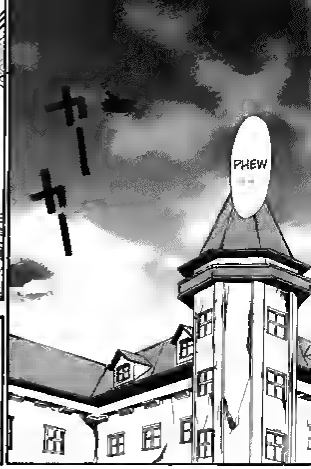
I THINK YOU'LL BE OK FOR THAT.
!?
STARTING TOMORROW FOR 3 DAYS, WILD LIFE WILL BE DOING THE ANNUAL COLLABORATION WITH UENO ZOOLOGICAL GARDEN FOR THE PHYSICAL EXAMINATION OF THEIR PANDAS.
EHH, PANDA ...
RYOTO IS INCHARGE OF IT THIS YEAR BUT.....



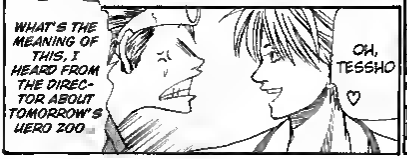
RYOTO IS BUSY PERFORMING PHYSICAL EXAMINATIONS IN THE 1ST DIVISION
IWASHIRO, HE SAID YOU'D GO THERE INSTEAD AND DO IT.

TRUST HIM RIGHT?
EH!?
HOW COME?
THEN IT'S DECIDED.
UHMM YEAHH

I WORK HARD TODAY
HEY, RYOTO YOU ASS-HOLE!

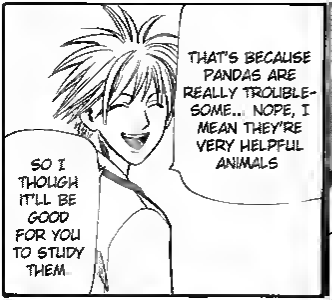


PHEW



WHAT'S THE MEANING OF THIS, I HEARD FROM THE DIREC-TOR ABOUT TOMORROW'S UERO ZOO
OH, TESSHO ♡

OK
I'LL ENTRUST IT TO YOU THE PANDAS FOR TOMORROW ♡

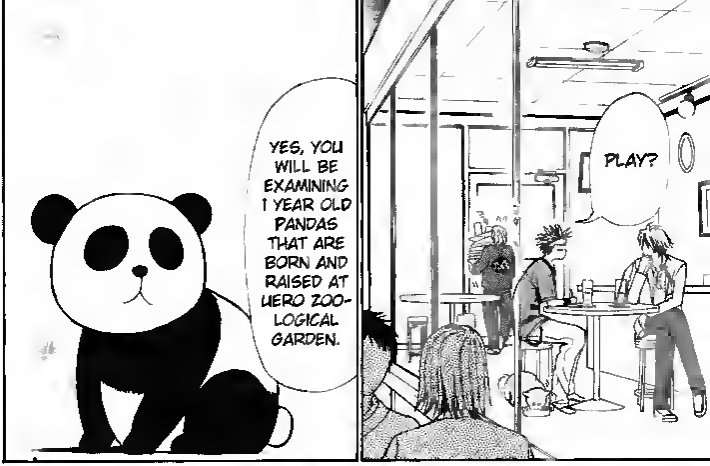


SO I THOUGH IT'LL BE GOOD FOR YOU TO STUDY THEM
THAT'S BECAUSE PANDAS ARE REALLY TROUBLE-SOME... NOPE, I MEAN THEY'RE VERY HELPFUL ANIMALS

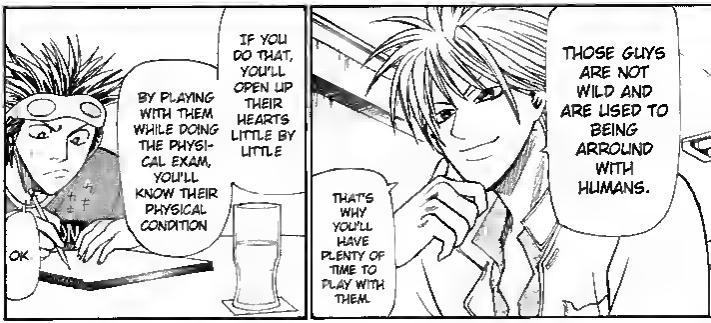
THIS ISN'T RIGHT! WHY DO I HAVE TO DO IT BEFORE I EVEN KNEW ABOUT IT. MOREOVER, IT'S YOUR JOB!
I BET, HEL-ING OUT IN THE 1ST DIVI-SION IS JUST AN EXCUSE !

I DON'T GET IT
WHAT'S WITH THE VERY HELPFUL ANIMAL

IT'LL ♡ BE OK
YOU SEE RYOTO, WHATEVER THE PATIENT IS, I EXAMINE THEM.
SINCE YOU'RE THE ONE ASKING, YOU BETTER TEACH ME PROPERLY ABOUT PANDAS.
BECAUSE IT WILL JUST BE A SIMPLE PHYSICAL EXAMINATION IT'S NOT LIKE YOU'LL BE DOING MEDICAL TREATMENT OR SOMETHING.
MOREOVER, DRAWING DIAGNOSIS WHETHER AN ANIMAL IS SICK OR NOT ISN'T YOUR SPECIALTY?
CAUSE YOU HAVE "ABSOLUTE PITCH"
IT CAN'T BE HELPED! THE "MILD LIFE" I'VE ODERED IN THE BOOKSTORE WILL BE DELIVERED TODAY SO I WANTED TO GO HOME EARLY..
CAN'T BE HELPED!
WHOSE JOB IS THIS ANYWAY!?
LIKE A POINTER, OR ADVICE
WELL YEAH BUT, MAYBE A LITTLE SOMETHING.
WELL, FIRST OF ALL, PLAY WITH THEM.
Ayers

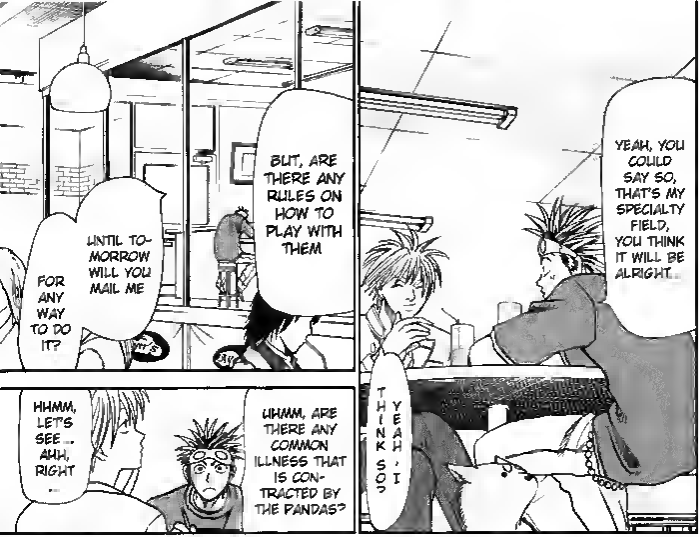


YES, YOU WILL BE EXAMINING 1 YEAR OLD PANDAS THAT ARE BORN AND RAISED AT UERO ZOO-LOGICAL GARDEN.
PLAY?

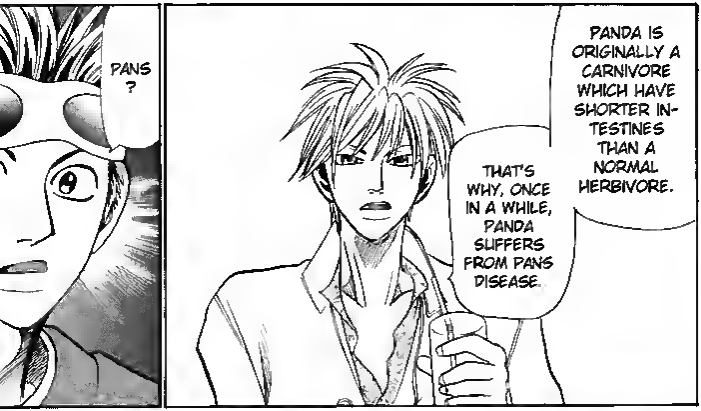


OK
BY PLAYING WITH THEM WHILE DOING THE PHYSI-CAL EXAM, YOU'LL KNOW THEIR PHYSICAL CONDITION
IF YOU DO THAT, YOU'LL OPEN UP THEIR HEARTS LITTLE BY LITTLE
THAT'S WHY YOU'LL HAVE PLENTY OF TIME TO PLAY WITH THEM.
THOSE GUYS ARE NOT WILD AND ARE USED TO BEING ARROUND WITH HUMANS.

THEY USE THEIR ENTIRE BEING TO BE OF SER-VICE".
LOOK, I'VE SAID IT BEFORE THAT YOU'RE A GUY THAT FITS THE SAYING "VETS DON'T JUST LOOK,

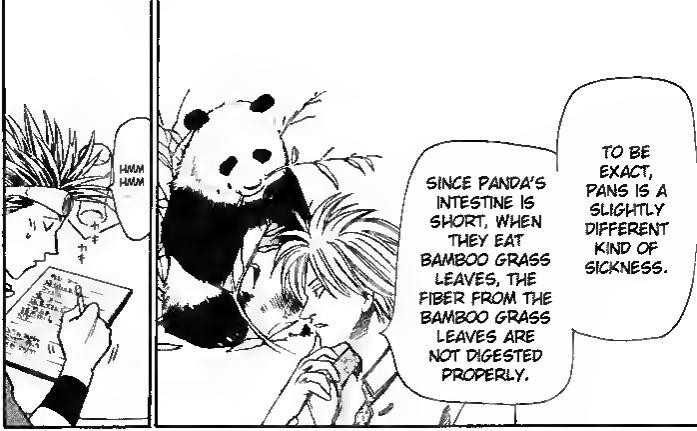


YEAH, YOU COULD SAY SO, THAT'S MY SPECIALTY FIELD, YOU THINK IT WILL BE ALRIGHT...
BUT, ARE THERE ANY RULES ON HOW TO PLAY WITH THEM
UNTIL TOMORROW WILL YOU MAIL ME FOR ANY WAY TO DO IT?
YEAH, I THINK SO?
UHMM, ARE THERE ANY COMMON ILLNESS THAT IS CONTRACTED BY THE PANDAS?
HMMM, LET'S SEE... AHH, RIGHT...

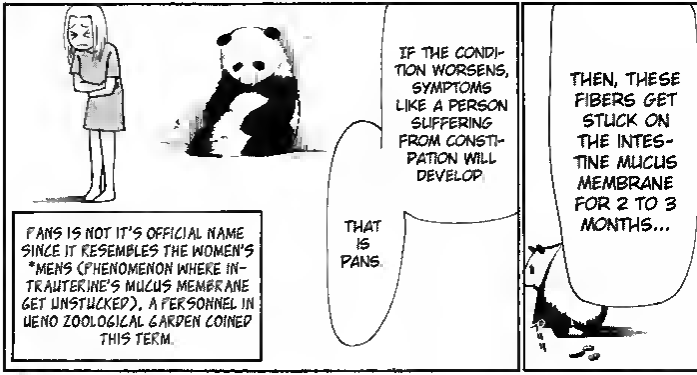


PANDA IS ORIGINALLY A CARNIVORE WHICH HAVE SHORTER INTESTINES THAN A NORMAL HERBIVORE.
THAT'S WHY, ONCE IN A WHILE, PANDA SUFFERS FROM PANS DISEASE.
PANS ?

RIGHT NOW, WHAT KIND OF WEIRD THINGS ARE YOU THINKING?
EH... ?
PANS = PANDA'S PANS



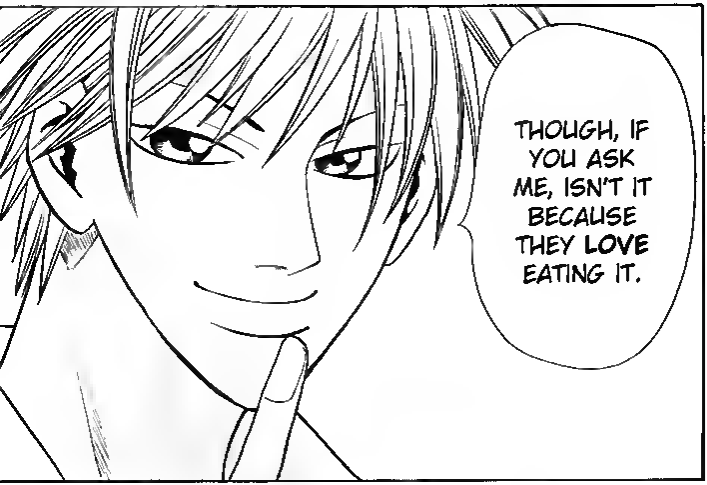
HMM HMM
SINCE PANDA'S INTESTINE IS SHORT, WHEN THEY EAT BAMBOO GRASS LEAVES, THE FIBER FROM THE BAMBOO GRASS LEAVES ARE NOT DIGESTED PROPERLY.
TO BE EXACT, PANS IS A SLIGHTLY DIFFERENT KIND OF SICKNESS.



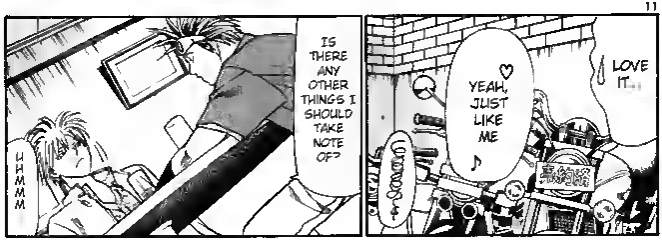
PANS IS NOT IT'S OFFICIAL NAME SINCE IT RESEMBLES THE WOMEN'S *MENS (PHENOMENON WHERE INTRAUTERINE'S MUCUS MEMBRANE GET UNSTUCKED). A PERSONNEL IN UENO ZOOLOGICAL GARDEN COINED THIS TERM.
THAT IS PANS.
IF THE CONDITION WORSENS, SYMPTOMS LIKE A PERSON SUFFERING FROM CONSTIPATION WILL DEVELOP.
THEN, THESE FIBERS GET STUCK ON THE INTESTINE MUCUS MEMBRANE FOR 2 TO 3 MONTHS...

TN: MENS HERE MEANS MENSTRUATION

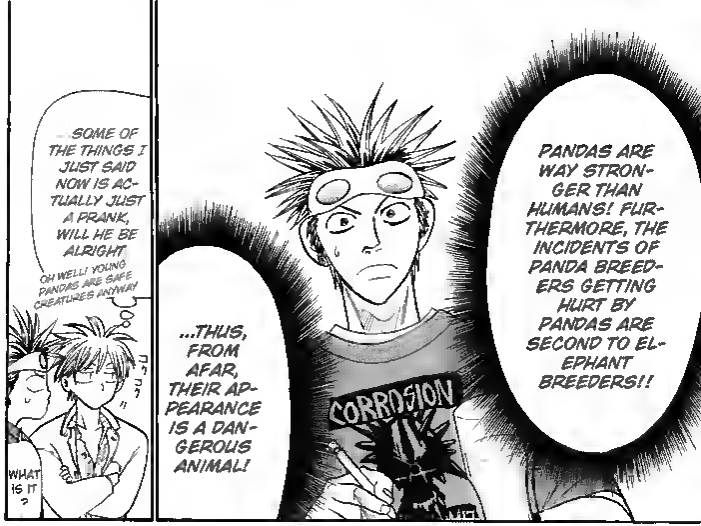
WHY WOULD PANDA LIVE BY EATING BAMBOO GRASS IF IT CAUSES CONSTIPATION?
SHOULDN'T THEY JUST EAT MEAT SINCE THEY ARE CARNIVORES TO BEGIN WITH!
WELL THAT ——
STILL REMAINS AS A MYSTERY TO THE BIOLOGICAL SOCIATY



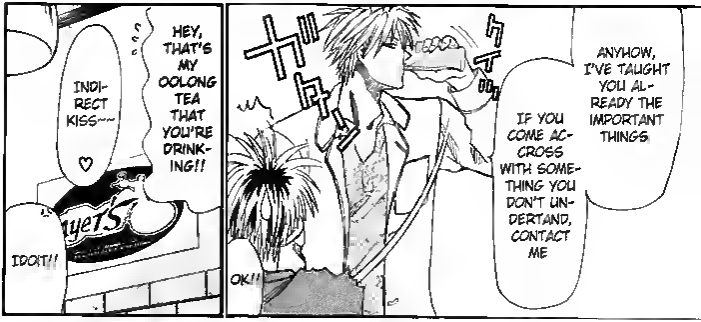
THOUGH, IF YOU ASK ME, ISN'T IT BECAUSE THEY LOVE EATING IT.



LOVE IT...
YEAH, JUST LIKE ME
IS THERE ANY OTHER THINGS I SHOULD TAKE NOTE OF?
HMMM



...SOME OF THE THINGS I JUST SAID NOW IS ACTUALLY JUST A PRANK, WILL HE BE ALRIGHT
OH WELL! YOUNG PANDAS ARE SAFE CREATURES ANYWAY!
WHAT IS IT ?
...THUS, FROM AFAR, THEIR APPEARANCE IS A DANGEROUS ANIMAL!
PANDAS ARE WAY STRONGER THAN HUMANS! FURTHERMORE, THE INCIDENTS OF PANDA BREEDERS GETTING HURT BY PANDAS ARE SECOND TO ELEPHANT BREEDERS!!
CORROSION



HEY, THAT'S MY OOLONG TEA THAT YOU'RE DRINKING!!
